**Clothing Talks!**

Hart Schaffner & Marx

The excellence of our clothing speaks for itself. This picture shows the sort of suit about which you're asked, "Who made it for you?"

The wide lapels, the shapely line, the just-right length, and its whole aristocratic bearing put it in a class by itself.

We regard it as one of the snappiest of the many handsome Suits we are showing this season.

**IS THE MOON INHIBITED.**

Science has proven that the moon has an atmosphere, which makes life in some form possible on that satellite; but not for human beings, who have a hard enough time on this earth of ours; especial those who don't know that Electric Bitters cure Headache, Biliousness, Malaria, Chills and Fever, Jaundice, Dyspepsia, Dizziness, Torpid Liver, Kidney complaints, General Debility and Female weakness. Unequaled as a general Tonic and Appetizer for weak persons and especially for the aged. It induces sound sleep. Fully guaranteed by all Druggists. Price only 50c.

Overseers of public roads in this section are making some needed repairs all along the public highways, but not any of them have done enough to merit the praise given Mr. Chas. Bowles for the good work he did on the road leading from this place to Dan, river bridge. It is now in order for the citizens of Walnut Cove to drain the frog pond in the northern section of town.
