

A Week's Record of County Events

NEW DEPUTY FOR SAURATOWN

Mr. T. G. Caloway Appointed By Sheriff Petree—Another Harpooning Expedition.

Walnut Cove, May 22.—J. D. Waddell and Jas. A. Marshall, of Dennis, were here last Wednesday talking over the political situation over in Forsyth county.

On the 17th inst. Shff. R. J. Petree was here. He turned over the taxbooks for Sauratown township to T. G. Caloway who was recently bonded as deputy.

Peter W. Hairston spent Thursday night with the family of Cabell Hairston.

R. F. Fulk is here today on business with Deputy Collector J. A. Petree.

Messrs. John R. Hill and Jno. T. Griffin, of Campbell Route 1, were here Monday.

Misses May, Sue and Ella Withers, of Withers postoffice, were in town Monday.

A large number of our people attended the Association at Sardis Sunday.

J. Will East and W. D. Bennett are out on a pleasure trip this week. They expect to take in Moore's Springs and Vade Mecum before returning. J. Will may make a trade with the Register of Deeds while out. Bennett's residence, when he selects one, will be styled "1906 Martin Box."

Referring to your remarks in last week's Reporter about the fishing tribe of Danbury, numbers of our people desire to go on record as being against their cruel sport. A party of fishermen from this place (who are providentially in one way or another related to the chief of the mountain fishermen) set in at Danville, Va., on the same night you cite as the date of the Danbury big catch, and waded right up Dan River, destroying everything in sight until they ran into the muddy waters created by the upper crowd referred to in your paper. Such destruction of the much prized fish and frog family should be stopped at once. Perhaps Evangelist Bob Coleman might do lots of good if he would locate at some point near the fall hills and continue preaching.

KING ROUTE 2.

Answer To Letter From Pinnacle Literary Society.

King Route 2, May 21.

Mr. Editor: Please allow us space in the Reporter to answer the Pinnacle Literary Society.

Now, if the society wishes to meet the Oak Grove Society in joint discussion let them get their challenge in a business like way, as we conduct business on business principles, having a constitution and by-laws which govern our actions. Therefore, if the said society wishes a discussion let it name a subject and we will consider it in a business like manner. We meet Sat., June 2, p. m. So get in your challenge by then and we will let you hear from us immediately.

Speaking of your "matchless orator," we do not believe that Mr. Jones had anything to do with that bragging, because we take Mr. Jones to be a hightoned gentleman.

We, as the Oak Grove Literary Society, are not afraid of the orator, Mr. Jones, or any of Pinnacle Literary Society members, and if Mr. Jones wants to sing his praises let him come ahead. We have had him with us once and have had the pleasure of basking in the sunlight of his oratorical powers, and we know very well how much too large Webster's trousers are for him. Therefore we would not fool our time or fuddle our brains with him alone. But if you have a society bring it with you in full blast. Give us proper time and we will not only meet the "steam engine of Pinnacle" but the whole crew combined. We have heard of steam engines whose whistles were much larger than their boiler, and it may be one of this kind that is so anxious to get up a discussion with us. Yes, the days of Webster and Clay have long passed away.

We hope to hear from the society privately or publicly at once.

Respectfully,
J. C. TILLOTSON, Pres.
M. I. Boyles, Sec.

Mr. Kennie Rose, an insurance agent, died at the Twin-City Hospital Monday, after submitting to an operation.

PINNACLE.

Pinnacle, May 23.

The people say that the whooping cough is all the go, but I don't think so. I think base ball is all the go. The boys have challenged every team that they can hear any talk of, but can't get any team to play. I wonder what has become of Hill Top. I guess they have crawled in a hole and pulled the hole in after them. Please tell them that they will have to play Pinnacle before they have the go.

Messrs. Ernest Moser, Will Moser, Joe Spainhower, and Misses Irene Simpson, Lucy Spainhower and Tine Simpson all went to the mountain yesterday. They report a nice time.

We think Miss Maude will have to talk up or Irene will get the dress.

Rev. A L Hunter preached a fine sermon at the Methodist church Sunday night at Pinnacle.

Mrs. Laura Gordon was the guest of Mrs. E. F. Stone last Sunday.

STREET PACKER.

Farmers seem to be very uneasy about their tobacco crop. Plants are scarce and they can't get to plant what they have.

Negroes Pass Counterfeit Money.

Winston, May 23.—It became known today that three negro men passed off \$40 or more counterfeit money in the northern part of the city Saturday night. They visited the beef market of George Hester, at the terminus of North Liberty street, and purchased 50 cents worth of meat, giving Mr. Apple, the clerk, a \$10 bill, which proved to be no good. From the market the counterfeiters went to the store of S. S. Spencer, colored, in Fairview, where they succeeded in passing three spurious \$10 bills. One bought a cake of soap and a bottle of soda pop, while another invested in several cigars. The third man purchased a pair of suspenders and a few other things. Each man was given good money in change. Spencer says that he discovered Sunday that he had been caught. The figures of the bill had become dim, being hardly discernible.

Prisoners Released On Bond.

There is little chance of a special term of court, as no judge is available. However, it may be that a term can be arranged for some time about the middle of the summer.

All the prisoners, with the exception of two, have been released on bail as follows:

Oscar Smith, attorney; Ray Flinn, retailing; Will and Ed Mabe, f. and a.

Those remaining in jail are Jno Fry, charged with carrying concealed weapon; Melvin Tatum, assault.
