PLANTING TOBACCO ON SUNDAY.

Death of Mr. Henderson Marshall—Walnut Cove Items and Personals.

Walnut Cove, May 29.—Owing to the shower Saturday there were but few visitors here. Those that did put in an appearance were full of hope and in a hurry to get to planting tobacco. Doubtless numbers of them continued planting Sunday. One farmer said he had engaged hands to plant Sunday. Being unable to do the work himself, Sunday was the only day he could hire anyone in his neighborhood to do anything.

Miss Bettie Davis, of Pine Hall, visited her aunt, Miss Bettie Davis, Thursday.

Mr. Henderson Marshall died the 23rd inst, and was buried at Salem Chapel burying ground at 2 o'clock Friday. Mr. Marshall leaves a wife and several sons to mourn their loss.

Mrs. A. S. Mitchell visited her father and mother, Mr. and Mrs. J. W. Morefield, of Guilford College, Friday.

Capt. D. B. Foucht visited his family Saturday, Sunday and Monday. There was with him a Mrs. Ellington, of near Spray, and a Miss Smith a great niece of Capt. Foucht, who resides at High Point.

Zebulon Grubs, who is in the employ of the Southern Ry., stationed at Charlotte, N. C., is here paying a visit to his mother, Mrs. Thos. W. Grubs.

Chas. Morefield drove out in the neighborhood of Meadows one day the past week, with him were two strangers whom Mr. Morefield states were looking at the timber along the road. From their talk he thinks they intend starting a chair factory at some point along this branch of the Southern Ry.

Mr. and Mrs. Stockton, who recently moved from this place over in Va., are here on a visit.

Mr. H. C. Sheets and family will move to Reidsville very soon. Mr. Sheets be it remembered owns an interest in a saloon at the latter place. Mr. Jno. Shuk, who was a partner of H. C. Sheets in the manufacture of whiskey at this place prior to January 1st will engage in the same business at some point in Va. very soon. There will be associated with Mr. Shuk in this business, Mr. Albert Griffin, of Advance.

Sunday being "Children's Day" at the M. E. church there was an unusually large congregation out. All report a nice entertainment.

Dr. A. G. Jones has just returned from South Carolina, where he attended a convention of Ry. surgeons.

The S. S. at Christ's church, Walnut Cove, will in future be at 4 o'clock P. M. except on 3rd Sundays when the minister is to be present. S. S. will be at the usual hour 9:30 A. M.

The Walnut Cove fishermen are to be prosecuted Thursday night next. T. G. Caloway, J. A. Petree and W. J. Martin are indicted. Chas. Marshall (one of the R. F. D. boys) should be dealt with by the same court, and at the same time for the same violation of the law. He, his father and father-in-law spent one whole day recently dragging a seine around through Town Fork creek and all the wash-ouls along said creek for miles. We miss the music of the frogs at night since and be it understood it is folly to go hooking any more for they caught on the day referred to above enough catfish to fill one or more sardine boxes plum full.

Worse Even Than Standard Oil

AMERICAN TOBACCO COMPANY THE MOST VICIOUS TRUST IN AMERICA.

Washington, May 28.—The American Tobacco Company, the Continental Tobacco Company and the Imperial Tobacco Company were the subject of a scathing denunciation at the hands of Mr. Stanley, of Kentucky, today in the House of Representatives.

Speaking to his resolution, which calls upon the President to furnish the House with any information the Department of Commerce and Labor may have as to the combination between the tobacco companies above named, in violation of the act in restraint of trade, Mr. Stanley stated that he did not seek to push his resolution at this time. He had been in consultation with Commissioner Garfield, of the Department of Commerce and Labor, and had learned that the Bureau of Corporations was "hot on the trail of the companies," and as he desired to have them run to earth, he would not insist upon the passage of the resolution now.

Mr. Stanley said that neither the Standard Oil Company nor the Pennsylvania Railroad Company, nor any other combination of men, outside of the prinitentiary, have openly violated the law as the American Tobacco Company has during the past two years. He made the statement that it was the most perfectly organized combination that weighs upon the shoulders of the American people.

RURAL HALL.

Rural Hall, May 27.

Mr. Editor:

I wish you to grant me space in your valuable paper to correct the false letter that some one wrote through your paper two or three weeks ago.

Some one wrote that Hill Top beat us playing ball six to nothing and nine to nothing. The one that wrote that letter either lied or didn't have sense enough to write a true report.

We beat Hill Top 24 to 6 on our ground and they beat us 30 to 26 on their ground. We will play them again anytime they are ready. Of course we do not think any of the Hill Top boys are ungentleman enough to write any such trash. Hoping you will correct that untrue statement.

I remain yours,

JOHN SMITH,
Capt. Rural Hall Base Ball Team.

MR. JOHN P. DUNLAP.

A Brief Sketch of His Illness and Death Written By His Daughter.

Sandy Ridge, May 25.

Mr. Editor:

Please allow us space in your paper for the sad task of giving a brief sketch of the illness and death of our father, John P. Dunlap. He was born Sept. 29, 1838, was married to Minerva J. Ball Feb. 4, 1866, and departed this life May 16, 1906, making his stay on earth 67 years, 7 months and 28 days. He was a kind husband and always provided for his family as best he could. He was an honest hardworking man, always getting his living by the sweat of his brow, and was a kind neighbor always ready to lend a helping hand when he was able. Unto him and his wife were born five children, 3 daughters and 2 sons, 1 son died in infancy. He therefore leaves 2 single children, 1 daughter and 1 son. Two married daughters, Mrs. Samuel Ward and Mrs. Walter Kington, an invalid wife 70 years of age and 8 grand children, two brothers and one sister to mourn his absence, but we mourn not not as those without hope. His disease was lung trouble from which he suffered untold agonies, but he bore his sufferings with great patience, often calling on the Lord for mercy.

Papa had been in declining health for several years, but was confined to his bed only one month. Mother, Gid or myself with friends attended his bedside both day and night. He did not want for anything that loving hearts and willing hands could do, but we could not stay the hand of death, the Lord giveth and the Lord taketh away blessed be the Lord. Papa had never made any confession of religion, but was of the Primitive

Baptist faith. He always enjoyed hearing them preach when he was able to attend. The funeral services were conducted by Elder Jos. Joyce at Wilson church May 18, after which he was laid to rest there to await the resurrection 'Tis then I hope we will all meet our loved one in that happy home above where sickness and sorrow never come, and parting will be no more.

Papa seemed to feel from the time he was taken sick that he would not get well. He often told mother before he was confined that he would not get well this time.

A precious one from earth has gone,
A voice we loved is still;
A place is vacant in our home,
Which never can be filled.

We wish to thank our many friends and neighbors for their kindness during his illness and death. They were always so ready and willing to lend a helping hand both day and night. We shall ever feel indebted to them for their kindness bestowed upon him and ourselves during those hours. We also wish to thank our kind physician, Dr. Ellington, for his attention during his illness. We hope he may be long spared in his good work toward mankind.
HIS DAUGHTER.
