Increase Your Yield Per Acre

You Can See The Growth

Virginia-Carolina Fertilizers

If you want to see dollars grow, feed your fields with Virginia-Carolina Fertilizers. They will "increase your yields per acre," and thus bring down the cost of production, even if you use fewer teams and less labor.

We have thousands of strong testimonials from farmers who have tried other makes of fertilizers and assert that

Virginia-Carolina Fertilizers are by far the best. They will give you crops that will make more money for you. Buy no other, even if some dealer endeavors to get you to buy some "cheap" brand just because he may make a little more profit on that. Of course, that would be to his interest—not yours.

Brown's Warehouse.

Always Leads in High Prices.

The Winston Market sold the past four months 9,559,805 pounds for \$801,264.71, averaging \$8.30 per hundred. Of this amount, we sold 2,730,648 lbs. for \$232,318.11, averaging \$8.51 per hundred pounds. Figures speak louder than words, so bring us your tobacco as fast as you can prepare it for market for our advice is to sell and get the highest market prices. Our sales the past four months were nearly double those of last year and we want to thank our customers for this increase in our business and say to all bring us your first load in January.

John Simpson will get you the very top of the market for every pound of your tobacco.

BROWN, CARTER & SIMPSON.

The Tobacco Sold At PIEDMONT WAREHOUSE,

WINSTON-SALEM, N. C.

Up to Christmas brought 19 cents per hundred more than the market average.

In other words every 1,000 pounds sold at Piedmont has brought one dollar and ninety cents more than the market average—nearly enough more to pay your warehouse charges. What do you think about it? Is \$1.90 per load worth making? Don't you think it pays to sell at Piedmont, the leading house in pounds and prices?

We are glad to tell you that all grades of tobacco are selling well, especially the common ones. We believe that tobaccos up to 10c are bringing more money now than they did three years ago—"the high year." Bring us your next load and you shall have every dollar possible for it. Hoping to see you soon, we are,

Your friends,
