TO MAIL.

W. R. Kiger address to His Friends the patrons of King Route 2.

Good bye Route 2.—forevermore, Our roving days are almost o'er; We've had a good time, but couldn't agree,

Just see what 2 has done for me. To the patrons and my many friends of Route 2.—I wish to say that during the past year and nine months that I have journeyed among you; my dealings with you have been very pleasant.

I thank you, one and all, for the many favors you have shown me. I have learnt to love you all and regret that I'm but a few days among you.

I wish to suggest to you all, that you do all you can for the betterment of the r. f. d. service. Work your roads as often as they need it and patronize the route all you can. I fear if there is not more interest manifested in the service, and that very soon, the daily service will be out out, and a tri-weekly service ordered as a substitute for the daily service. A tri-weekly service would seem very hard to some of you who have learnt to appreciate the service rendered you.

Saturday, September 29th, I will make my last trip as carrier No. 2; and I would be glad to see you all that day, but if I have not the pleasure of seeing you that day, I wish to say that I will often remember you dear people. So goodbye to all.

Sincerely yours,
W. R. KIGER,

SWEET GIRL.

HAS STOOD THE TEST 25 YEARS.

The old original GROVE'S Tasteless Chill Tonic. You know what you are taking. It is iron and quinine in a tasteless form. No cure, No pay.

Suppose every time one of our Stokes merchants ordered goods he would send the money in a registered letter. The fees he would have to pay would more than pay his taxes. Instead, he pays by check, and saves hundreds of dollars. If doing a banking business is a good thing in a big business, it is a good thing in a little business. All accounts, large or small, are welcomed alike by us. We charge you nothing for the work, and give you a nice check book free.

The Chew that's Sweet and Clean

No wonder SCHNAPPS is popular—it's the chewing tobacco that suits the man who chews to get enjoyment from the tobacco, instead of the mere habit of chewing and expectorating

SCHNAPPS is made from choice selections of the well matured, thoroughly cured Piedmont leaf, with an aroma so delightful and appetizing that it popularized the chewing of tobacco. There's no other tobacco in the world that requires and takes so little

sweetening. Schnapps

That's what makes the difference between SCHNAPPS and the many excessively sweetened imitations—and it's such a difference that once a chewer chews SCHNAPPS, he is never deceived with any imitation.

The sweet, tasty and exhilarating quality of SCHNAPPS tobacco has made the Reynolds factory famous as the manufacturers of the best and most popular brands of chewing tobacco, and as the largest and best equipped flat plug factories in the world. They contain every modern appliance for producing the best chewing tobacco, by clean, sanitary and healthful processes. The R. J. Reynolds Tobacco Company is under the direction of the same men who have managed it since 1875, and who have made the chewing tobacco business a life-study.
