## PLANTERS' WAREHOUSE,

LEWIS, HUTCHENS & CO., Proprietors.

MADISON,  
N. C.

To Our Friends and Customers of North Carolina and Virginia: We take pleasure in returning thanks for your liberal patronage given us during the year just closed, and ask for a continuance of the same. We will be better prepared to serve you than ever before. We have built plenty of new stalls and repaired the old ones; we will have good warm camp rooms for you and plenty of dry stalls for your stock. The demand for tobacco on the Madison market this year will be double that of any previous year. Tom Meador is our Auctioneer, you know him, and this means the top of the market and the last little dime for every pile of tobacco sold with us. R. H. Lewis, one of the oldest tobacco men in the State, and who stands as a fine judge of the weed, will follow the sale and push every pile to the top notch. T. J. Hutchens and T. L. Lewis are Book-keepers and want their friends to sell with them. R. S. Thomas, our clever Floor Manager, will be glad to serve his many friends.

### Wanted!

Hoops for Hogsheads.

On account of so much tobacco being sold at Madison I find it hard to get a sufficient supply of hoops.

I am in the market for a large quantity and will pay the best price.

H. J. PENN,  
Madison, - - N. C.

#### Death Of Mr. Isaac Neal.

Pine Hall, Sept. 25.—The death angel has been in our midst again and claimed for its victim this time Mr. Isaac Neal. Mr. Neal was 73 years old. He had lived among us for 40 years and a better or kinder neighbor we never had. He died last week after a long illness of 4 months. He was a great sufferer but he bore his affliction with great patience and seemed all the time resigned to the will of him that doeth all things well. He told the writer just a few days before he died that he was ready to go, but that if it was the Lord's will he would be glad to live a few years to raise his little girls. He had been a member of the M. E. Church for a long time and will be greatly missed by the church. He leaves a large number of relatives and friends. We all feel that brother Neal has gone home to God.

May we all live so that when the gummons comes for us we can go and live with him beyond the river, where the death angel cannot come, and may we all be admonished by the truth so little heeded that man is born to die.

May he who took little children in his arms and blessed them take care of the two little orphan girls that are left without father or mother.

A FRIEND.

#### PINNACLE ROUTE 2.

Pinnacle Route 2, Sept. 22.—Allow me space in your valuable paper for a few lines. Cutting and curing tobacco is all the go now.

We would like to know what has become of Mc? He must be under conviction about what he said about the women; and I would like to hear from him and know if he is most converted of what he said.

The women is not the cause of all the sin man commits. Man was created first; God created man and then He created woman. So the man is first according to the bible and that is what we have to go by and God never made the woman first.

JOLLY GIRL.
