

## If It's Here, It's Right

Pick a flaw, if possible, in our Suits and Overcoats. Turn them inside out—every little detail shows the hand of the Master Tailor. No hurried work—no skimping—nothing slighted. That is why they fit so perfectly and hold their shapes so much better than any others.

When you spend your money for CLOTHES you certainly want the best possible value for it.

Some men imagine they can do as well at one store as at another. A great mistake.

Look through our stores, if you will, and you'll find you can do better here, because our Clothes look better, fit better and are better.

SUITS \$10, \$15, \$18 to \$30.  
OVERCOATS \$10, \$15, \$18 to \$25.

We take an honest pride in our Clothing, and you may be sure that we won't let you have anything that isn't just right. If it's here, it's right.

### Did You Ever Stop to Think Where All Your Money Goes?

In one year you must pay out quite a sum for necessities. If you had a checking account and paid your bills by check you would have a complete record of every cent. You can tell how much you spend for trifles during the year.

It is a good plan to have a record of all money you pay out.

We will show you every courtesy possible consistent with safe banking.
