

ENJOYABLE VALENTINE PARTY.

The most enjoyable occasion the young people of this community have been honored with in quite a while, was a Valentine party given by Mr. and Mrs. E. C. Sheppard at their home Thursday, Feb. 14. They invited all the young people in the community, besides a number of friends from a distance, among whom were Miss Hattie Shelton and brother, of Stuart, Va.; Miss Rachel Moore and brother, of Smith, Miss Lula Stone, of Pinnacle; Misses Nina and Sibbie Sheppard and Lettie Brown, of Sandy Ridge; Miss Alice Martin, of Smith, and others. The guests arrived about 6 P. M., there being about 75, and were warmly invited into the parlor and sitting room, both of which were beautifully decorated with evergreens and pink and blue hearts. About 7 P. M. from the sitting room came the sweet notes of the violin, guitar and banjo, which was so tempting and the room was soon crowded to overflowing; but merry hearts and busy feet soon made room for all who indulged in keeping time to music, while those who were seeking their valentine, and a number whose hearts were already beating in unison, occupied the parlor and hall. There they were left to enjoy themselves until 10 o'clock, when the names of all the gentlemen and ladies were drawn and placed in separate boxes and passed around, then the fun began, as most all the boys drew the wrong girl, for we could plainly see how reluctantly they left their own chosen Valentine to seek the one whose name he drew. They were then invited into the dining room, the gentlemen carrying in the lady whose name he drew where they found the table tastily decorated in pink and blue and handsome bouquets of evergreens and flowers and laden with fancy cakes and sentimental hearts of candy. Pink and white ice-cream was served with white pink and cake, other refreshments were served, the sentimental hearts were passed, those to the boys bore questions and those to the ladies answers, they were read at the table and enjoyed by all. They then returned to the parlor and each gentleman was presented with a heart by the lady who drew his name.

We were highly entertained by music, fortune-telling and all grades of fun until 12:30, when the guests then seemed loath to leave the place where mirth had shown a smiling face.

Waiters, of Alleghany, Sierra, Co. No use hunting. Mr. Waiters; it cures every one. Guaranteed at all druggists, 25c.

RISE FROM THE GRAVE.

A prominent manufacturer, W. A. Fertwell, of Lucama, N. C., relates a most remarkable experience. He says: "After taking less than three bottles of Electric Bitters, I feel like one rising from the grave. My trouble is Bright's disease, in the Diabetes stage. I fully believe Electric Bitters will cure me permanently, for it has already stopped the liver and bladder complications which have troubled me for years." Guaranteed at all druggists. BLUE EYES.

I am still at my old place of business and have a larger stock of goods than ever before. I wish to thank my many customers all over the county for their past liberal patronage. I shall buy goods in larger quantities than ever this year, and shall use every effort to give my friends the advantage of the lowest prices possible. Don't fail to come and see me when in Walnut Cove, and I will assure you that you will get your money's worth every time you trade with me.

Yours for business, J. B. WOODRUFF.

"A word to the wise is sufficient." Don't notice what you hear, but come and see for yourself if J. B. Woodruff doesn't sell you goods cheaper than any man in the county.

How does Woodruff sell goods so cheap? He buys in large quantities for cash and sells for cash, and does his work himself.

A VALUABLE LESSON.

"Six years ago I learned a valuable lesson," writes John Pleasant, of Magnolia, Ind. "I then began taking Dr. King's New Life Pills, and the longer I take them the better I find them." They please everybody. Guaranteed at all druggists, 25c.

Does Not Color Hair

Ayer's Hair Vigor, as now made from our new improved formula, does not stain or color the hair even to the slightest degree. Gray hair, white hair, blonde hair is not made a shade darker. But it certainly does stop falling hair. No question about that. Does not change the color of the hair.

Indeed, we believe it will stop every case of falling hair unless there is some very unusual complication, something greatly affecting the general health. Then you should consult your physician. Also ask him about the new Ayer's Hair Vigor. Made by the J. C. Ayer Co., Lowell, Mass.

NOTICE!

FOURTH AND LAST CALL FOR TAXES FOR 1906

I will meet the people of Stokes County for the purpose of collecting their taxes for the year 1906, at the following times and places, to-wit:

Wilson's Store, Germanton,	Friday March 1, 1907.
Darburs,	Sat. " 2, "
Sandy Ridge, (J. E. Shelton's Store),	Mon. " 4, "
W. E. Willis' Store,	Tues. " 5, "
Dillard,	Wed. " 6, "
Pine Hall,	Thurs. " 7, "
Walnut Cove,	Friday " 8, "
Lawsonville,	Sat. " 9, "
Francisco,	Mon. " 11, "
Vade Mecum,	Tues. " 12, "
J. M. Mitchell's Store,	Wed. " 13, "
Pinnacle,	Thurs. " 14, "
King,	Friday " 15, "
Allen & Tuttle's Store, Capella,	Sat. " 16, "
	Mon. " 18, "
	Tues. " 19, "

The law only requires me to make two rounds for the collection of the taxes, one in October and the other in March, and then to go to only one place in each Township. This will be my fourth round, and I have gone to several places in a township each time, in most of the townships. I have tried to give the people ample opportunity to pay their taxes, with as little inconvenience to them as I possibly could. They are earnestly requested to meet me at the above times and places, and pay their taxes promptly. This will be my last round, and the taxes are needed to meet the current expenses of the County, the Schools, and to pay the taxes due the State. The State Treasurer is urging the Sheriffs in the State to pay the State taxes as early as possible. The school teachers will soon want their money, and the current expenses of the County must be met. The first installment of the Court House and Jail building bonds will be due April the 4th, 1907, and will have to be met. The tax payers can see the necessity for payment, and it is certainly to their interest to pay them without cost. It is not, by any means, my desire to put the people to any cost, but as I am charged with the duty of collecting and settling the taxes, I must discharge my duty, and if the people do not pay, and are late to cost, they must not blame me. This 13th day of February, 1907. R. J. PETREE, Sheriff Stokes County.

THERE IS A REASON FOR CHEWING REYNOLDS' SUN CURED TOBACCO

Chewers becoming tired of heavily sweetened sun cured tobaccos caused REYNOLDS' SUN CURED to quickly win from the old brands of much longer standing the place as favorite with sun cured chewers, because it contains just enough proper sweetening and flavoring to preserve the quality of the leaf and enhance its goodness, causing a large increase in the demand for sun cured tobaccos.

REYNOLDS' SUN CURED

is not only pure sun cured, but it is made from choice selections of the genuine sun cured leaf grown where the best sun cured tobacco grows. It is like that you formerly got, costing from 60c. to \$1.00 per pound, and is sold at 50c. per pound in 5c. cuts; strictly 10c. plugs, and is the best value in sun cured tobacco that can be produced for chewers.

The Sanitarium

Winston-Salem

To the well informed it is now a fact that there are no remedies so effective as the X-ray, Finson light and Minnen's violet light in the treatment of cancer, eczema, lupus, acne, indolent ulcers and all other forms of skin diseases.

For rheumatism, gout, sprains, kidney and blood diseases in general no treatment is so effective as that where elimination is produced through the skin (sweating). This is accomplished by means of the hot air and electric light baths. As a blood builder, a flesh producer, a cure for bronchitis, chronic coughs, catarrh of the nose and throat, and general tonic, the inhalation of ozone from a modern apparatus has effected more cures than any other method. For the cure of neurasthenia, nervous debility, self disorders, paralysis, neuralgia, etc., the vibratory massage and static current of electricity are the best.

By means of other modern electrical appliances, we cure all forms of gastric and intestinal indigestion, constipation, dilatation and atony of the stomach and bowels, functional disturbances of the liver, varicose, cystic, stricture, hemorrhoids (piles), etc., remove superfluous hairs, moles, warts, birthmarks, etc.

We cordially invite you to visit the Sanitarium or write for descriptive booklet.

Grape

TOBACCO

YES! GRAPE TOBACCO

is just a little sweeter than any of the so-called sun-cured plugs made to imitate GRAPE, and they are all imitations—

WHY?

because that rich, sweet flavor is peculiar to the genuine Leaf, and we have been buying and manufacturing it for over fifty years.
