#### MR. KITCHEN ON COMBINE.

"Much Ado About Nothing" Says Congressman and Gubernatorial Candidate—"A Fabrication Out of the Whole Cloth."

Durham, March 13.—Congressman Kitchen was asked about the agitation of the "Fifth District Combine" and he said that it was "much ado about nothing." It is a fabrication out of the whole cloth," he replied, and has no foundation for truth in so far as he is concerned or so far as he has any information regarding others.

Reviewing the charge he said that it was first made last fall in the Industrial News but that he did not notice it until Democratic papers had given the story space.

Then he denied the charge and, in a card, said that he was not in any combine of any kind and knew nothing of a combine. This charge said that he was going to be a candidate for Governor, Solicitor Brooks for Congress, Briggs for judge, Parker for Solicitor and the same source of information said that Craig was to be put in the field to defeat Overman for the Senate, and Justice would get the speakership.
