Mr. Jno. A. Simons, of Francisco, visited the Reporter office yesterday.

Mr. W. R. Stephens, keeper of the County Home, was a Danbury visitor Monday.

Locusts have recently made their appearance in many sections of the State. A few have been noticed here.

Mrs. S. E. Allen and family, of Concord, went up to Piedmont Springs yesterday and will occupy their cottage there indefinitely.

Messrs. R. F. Shelton, J. P. Smith and W. M. Mabe, the Stokes commissioners, were all here this week attending a session of the board.

Our townsman, Mr. J. W. Hall, while taking a stroll just west of town last week had the pleasure of killing the first rattlesnake to be heard of this season. It was a good big one with a number of rattles.

Mr. Dudley D. Carroll, a Stokes boy who graduated this year at Guilford College, won the scholarship at Haverford College, which was offered the young man making the highest average in the senior class. The value of the scholarship is about \$300.00.

### SUMMERFIELD.

Summerfield, June 3.—Miss Nellie Hoskins has returned home from the Greensboro Normal College, where she has been attending school. Also Miss Annie Doggett and Mr. B. H. Hoskins have returned home from Guilford College.

We enjoyed the letter from Washington in the Reporter, written by W. B. Harris. He was born near this place, and also has two brothers with us, Messrs. R. V. and L. P. Harris.

More progress in our town, Mr. J. A. Hoskins is having his feed barn remodeled. Also there is talk of a farmers phone line, which we hope will in the near future not be talk but work.

What is looking fine in this part of Guilford.

God sent his death angel and carried to Him, we trust, Mrs. Polly Lloyd on the 29 inst. She lingered for quite a while, suffering with consumption, but yet always cheerful. The writer visited her quite often, and was met with a smile from the poor sufferer. I don't think any one ever visited her without coming away feeling better. Let us be submissive as aunt Polly was and say not my will but thine be done oh Lord.

### THE COUNTY COMMISSIONERS.

In Session Three Days—1907 Taxes Levied—Jury List Revised—F. G. Thomas Appointed Constable in Yadkin—Other Business Transacted.

The County Commissioners held their regular monthly meeting Monday and the session was continued Tuesday and Wednesday for the purpose of revising the jury list. This is quite an undertaking as the names of all the taxpayers of the county have to be gone over. The law says that all persons who paid their taxes the previous year before June 1st and who are of good moral character and sufficient intelligence shall be placed in the jury box. It is surprising to note that probably not more than half the taxpayers had settled their taxes on June 1st, and a great many of these among the best citizens of the county.

The most important business before the commissioners Monday was the levying of the taxes for 1907. The same levy as last year was made for the county, which was as follows:

State tax,	21
Pension "	4
School "	18
County "	23
Poll "	2.00
Special, on property,	25
" on poll,	75

The special tax of 25 cents on the \$100 valuation of property and 75 cents on the poll is the same as last year and is made to pay the second installment on the court house and jail bonds. Under Schedule B and C the county makes the same levy as the State. The above valuation makes the regular and special taxes together amount to 91 1/2 cents on the \$100 valuation of property and \$2.75 on the poll, which is just what it was last year.

For Walnut Cove Special School District the levy was 30 cents on the \$100 valuation of property and 90 cents on the poll.

For Pinnacle Graded School District it was 25 cents on the \$100 valuation of property and 75 cents on the poll.

Mr. Jno. T. Moore, of Moore's Springs, was again before the commissioners in the interest of the road in Yadkin township about which the particulars have been printed before. The Sheriff was ordered to summon a jury and lay out the road as soon as possible.

Mr. W. D. Thomas was appointed constable in Yadkin township to succeed Mr. F. G. Thomas, who recently resigned the position.

The spring term Superior court claims and insolvent witness claims were paid as well as the promiscuous claims and pauper allowances.

Mr. Jas. R. Morefield Has Narrow Escape From Drowning.

While crossing Buck Island creek last Saturday, Mr. Jas. R. Morefield, the carrier of Campbell R. F. D. No. 2, had a narrow escape from drowning. The creek was largely swollen from the heavy rains, and Mr. Morefield's horse was swept down stream a considerable distance. Both man and animal had to swim for their lives, and it was only after the greatest difficulty that both reached the bank in safety.

There was but little tobacco planted Saturday as the ground was too wet.

Mr. Jas. Hill didn't carry the mail Saturday. Guess he was water bound.

Miss Bowers, of Winston, is visiting her uncle and aunt, Mr. and Mrs. J. T. Carroll.

Mr. Forest Smith was a visitor at Mr. Carroll's Sunday. He must be struck on Miss Bowers.

Mr. Willie Carroll has gone into the climbing of the telephone business, as he is seen with his climbers on every hill.

Several was seen going to the foot washing Sunday.

Mr. Wade Carroll had a sick horse Sunday.

Mr. and Mrs. Wm. Tillotson are in bad health and in a feeble condition.

Rosa Carroll has been sick for some time, but is better now.

Mr. Walter Terry was seen going to see his "darling" as he calls her Saturday. Lookout, Miss Sallie.

Mr. G. M. Allen makes frequent visits up at Mr. Wade's. What is the attraction, Mr. Allen? That pretty little widow, we guess.

When you pay your bills by check you have these advantages:

1. It is more business-like and gives others a more honorable impression of your business abilities and methods.
2. It often saves you money, as for instance when you pay a bill or debt by giving your check, the person who receives the check must put his name on the back of the check before he can get the money on it. This operates as a receipt in law. Every farmer or anybody who pays out money should always do so by check.

There are other banks larger than the Bank of Stokes County. But the statement of the Bank of Stokes will compare favorably with any bank in the state. Some banks with capital stocks of hundreds of thousands, and big surplus funds, also have liabilities reaching up into the hundreds of thousands. The safest bank is the bank having the largest clear assets in proportion to its liabilities.

### MEADOWS.

Death of Mr. Joe Bowles—Bethel Sunday School Progressing—Ball Games Coming.

Meadows, June 3.—There has been very heavy rains in this section, doing much damage to newly plowed lands.

The Pink Grove boys will cross bats with Meadows on the latter's ground Saturday the 8th. A large crowd and a good game expected. Another interesting game has been arranged for Walnut Cove and Meadows teams the 15th to be played on Meadows' ground.

It is with profound sorrow we chronicle the death of Mr. Joe Boles, who died at his home the past week with that dreaded disease, consumption. Just 10 months and 21 days previous to his wife, who died of the same disease. It is a very sad case, as they leave six little children without father or mother to guide them the way they should go.

The Sunday School, that was organized at Bethel, is progressing nicely under the good superintending of Mr. Charlie Hutcherson. Several new scholars is being added each Sunday. We hope all the people in the community will come out and take a part, as it will do no one any harm.
