ROAD COMMISSION ORGANIZED.

Preparing To Spend Some of the Railroad Taxes on the Public Roads of Sauratown Township.

Walnut Cove, Aug. 21.—A meeting was held here Monday and the Sauratown Road Commission elected as follows: Commissioners—Dr. E. Fulp, A. J. Fair and Eugene S. Withers. Secretary and Treasurer, John A. Burton. The Treasurer is required by law to give a \$5,000 bond, which is evidently an error in the law, as the fund which Sauratown gets is only \$500.00. Yet we understand that Mr. Burton will arrange the bond all right, and that the work of improving the roads will go forward at once, which will be good news to everybody. This fund, it will be remembered, is the tax money which the courts recently decided must be paid over by the Sheriff to reimburse the citizens of three townships, Sauratown, Meadows and Danbury, for the money they paid as railroad taxes. The other two townships get an equal amount to this. We think that the people, who have suffered over the condition of the roads between Walnut Cove and Danbury from time whereof the memory of man runneth not to the contrary should tender Dr. Jones a vote of thanks. He has been the cause of this.

SAD OCCURRENCE NEAR SANDY RIDGE.

Mr. Will Ziglar, a Prominent Citizen of Sandy Ridge, Kills Himself With a Shot Gun.

Mr. Will Ziglar, a prominent citizen of the Sandy Ridge section, shot and instantly killed himself with a shot gun at his home early Tuesday morning of this week. Whether the occurrence was a pure accident or whether it was done intentionally is not and probably never will be known. The particulars as given the Reporter are that Mr. Ziglar arose at about 5 o'clock Tuesday morning while all the members of his family except one or two of his small children were asleep and went out into the yard with his gun. Soon the report of the gun was heard in the yard and upon investigation it was found that he had shot himself, the contents of the gun striking just under the chin and passing out through the top of the head. It is learned that no cause can be assigned for Mr. Ziglar taking his own life intentionally and the community is at a loss to understand why and how the sad occurrence came about.

The deceased was a son of Mr. Leonard Ziglar, and was a good, hardworking citizen. He was highly respected and liked by everyone and will be missed in his community. He leaves a wife and five children besides other relatives and friends to mourn his death.

That Automobile Incident.

Editor Reporter:
I notice in your last week's issue what the writer thought was a good joke on Dr. Hanes with his automobile in a mud hole. Now, I am sure if Mr. Zeb had thought the second time and had remembered that he is, as I believe, one of the J. P.'s of his township, a supervisor of roads, and very much responsible for the bad roads and mud holes where automobiles want to go, he surely would have kept it a secret that his roads were in such a condition. I'm sure he did the nice thing to pull them out even a dozen times if necessary and put them beyond his township line free of cost, and then to have kept it a profound secret, not because Dr. Hanes wanted him to do so, but for the remorse of his own conscience.

BAD ROADS.

Mr. J. H. Robertson, of Francisco, was here Tuesday.
