**Williard & Ader Furniture Co.**  
11 Trade St., Winston, N. C.  
After October 1st we will be in the building now occupied by Boyles Bros. Co.

**There Are Melons and Melons—**  
but the rich, sweet, juicy ones are those that had plenty of available

**POTASH**

to insure normal ripening with rapid sugar formation.

The right kind of fertilizer is a good investment. The vines will continue to bear melons of first quality instead of yielding only one or two pickings and then a lot of unmarketable culls.

Supplement the compost with 1000 to 1500 pounds of 5-8-10 goods, the ammonia to be derived mainly from organic substances like blood, tankage, fish or cottonseed meal.

This is equally good for cucumbers, pumpkins and squashes.

Write us for Potash prices and free books with formulas and directions.

**HOW TO FIGHT CONSUMPTION**

Education is the Best Weapon of Attack and Well Enforced Laws Make the Best Measures of Defense.

Consumption is a preventable disease. Yet we continue to have more deaths from consumption than from any other disease. Why? Largely because some of our consumptives continue to spit, cough, and sneeze in such a manner that their friends and associates are infected. These, then are the people that cause us so much trouble, that increase our death rate and decrease our population, that increase our poverty and decrease our wealth, that increase our misery and decrease our happiness.

But why do they do it? First, because they do not know any better, and second because they are willfully or criminally careless. What is the remedy? For the first class the remedy is education—education along the line of sanitation and hygiene. Such education in regard to the very fundamentals, of how to eat, sleep, bathe, breathe, and live, works wonders with this class. For this class the remedy is comparatively simple. The best place for such education is, of course, in the schools. There, it reaches the greatest number of people. There, it is easily taught and well remembered. There, it reaches the coming generation.

Tremendous results can be accomplished with the masses after the school periods. For them there should be lectures given by the county superintendents of health, city health officers, physicians, ministers, and well informed members of Anti-Tuberculosis and health leagues. For this purpose the State Board of Health, as well as many city boards of health, distribute literature on consumption and other health subjects. Countless means of public education may be used, as for instance lantern slides showing pictures and health sentences, signs in street cars and on bill boards, notices from the press and pulpit, tuberculosis exhibits, etc. After the public conscience is somewhat awakened to its sense of duty we should have free dis-

pensaries and visiting nurses to carry the gospel of health to all classes.

For the willfully or criminally careless class it is necessary to enact and rigidly enforce anti-spitting ordinances. Ordinances requiring the reporting of cases of consumption to the health department should also be enforced. Literature and oral instruction may then be furnished and disinfection of houses may be accomplished after each removal of the inmates.

Consumption, like yellow fever, will soon be a disease of the past, when the masses are properly educated to their sense of responsibility and the criminally careless are made law-abiding.

**Rural Hall.**

Rural Hall, Jan. 27. — Last night there was quite an enjoyable occasion at the home of Mr. Alfred Moore on Route 2. It was Ernest's eighteenth birthday, and a party was given in his honor. The music, games and amusements of the evening were jolly and well enjoyed by a majority of those present we are sure. However, quite an anomalous thing happened, there were more boys present than girls and possibly some of the stags did not think it quite so funny.

The Bura Aca Society of the high school here is progressing nicely. It has accepted a challenge from the Pinnacle high school, and challenged the King high school, for a round in debate. Oh, you, Cicero and Demosthenes, when Messrs. Ancus Payne, Dennis Wolff, Dallas Kirby, Thomas Wilson, Russell Shouse and Joseph Merritt, etc., come upon the field of action. We fear the gods of "oratory" will be put to shame. But we have all confidence in our boys. Having sent a challenge to Bethania high school, the debators down there turned up their toes and left a last will and testament stating their inability to meet the Rural Hall "coterie," thereby admitting defeat without battle. If Bethania thinks thus don't we have a right too?

BUCK.

Mrs. A. B. Tabor, of Caider, Mo., had been troubled with sick headache for about five years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Sick headache is caused by a disordered stomach for which these tablets are especially intended. Try them, get well and stay well. Sold by all dealers.

Respectfully,  
W. E. HARTMAN.

**GERMANTON ROUTE ONE**

Mr. A. G. Coley Has An Accident—  
Ball Game Saturday—Other News.

Germanton, Jan. 22.—The Hawpond school is progressing nicely under management of Miss Agnes Johnson principal and Miss Clemmie Smith assistant.

Rev. W. H. Wilson filled his regular appointment at Quaker Gap baptist church Sunday at eleven o'clock.

Sunday school will be organized Feb. 4th at 2 o'clock.

Flat Shoal ball team will play Haw Pond on their ground Saturday Feb., 3rd. A good game is expected by all. There will be a spelling the following night. Everybody invited.

Mr. A. G. Coley happened to a very bad accident while splitting lightwood preparing for a blast. The axe glanced and cut his foot. We hope he will soon recover.

**TWO JOLLY FRIENDS.**

**Danbury Route 1.**

Danbury Route 1, Jan. 29. — People in this section are preparing for another crop.

Miss Nannie Bennett visited her sister Mrs. Nettie Mabe last week and was accompanied home Sunday by Mr. Troy Campbell.

I guess the wedding bells will ring soon in this section as Mr. Jesse Bennett calls over the bridge right often.

Mr. Gid Mabe called to see Miss Dora Bennett Sunday.

There was preaching at Jackson Mabe's Friday night by Elder D. C. Collins.

The Buck Island school is progressing nicely under the management of Mrs. Jennie Flinchum.

**TWO JOLLY GIRLS.**

**CATARRH CANNOT BE CURED**

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh.
