Dysentery is always serious and often a dangerous disease, it can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has cured it even when malignant and epidemic. For sale by all druggists.

Stewards of Danbury Circuit Called to Meet.

It is earnestly desired that all the stewards of the Danbury Circuit of the M. E. church meet in Danbury on the 3rd day of August 1912, at 3 o'clock P. M., to consider the expediency

of repairing the parsonage property. The parsonage is badly under repair, and the stable is in such a dilapidated condition that it is very unsafe to keep stock in it. If the stewards will only come and investigate matters and understand conditions as they really exist, I am confident that they will be thoroughly convinced that something must be done. Let every steward be present and let's try to make some improvements.

THOS. J. FOLGER,

Pastor of Danbury Circuit.

WHAT MAKES A WOMAN?

One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. Its a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands fainting and dizzy spells and for dispelling weakness, nervousness, backache and tired, listless, worn out feeling. "Electric Bitters have done me the world of good," writes Pool, Depew, Okla., "and I thank you with all my heart, for making such a good medicine. Only 50c. Guaranteed by all druggists."

We make a little on everything, Boyles Mercantile Co.

AN OPEN LETTER TO THE READERS OF THE DANBURY REPORTER FROM DR. I. R. MELTZER, Optometrist:

To the readers of the Reporter:

I am now in Danbury stopping at the McCanless Hotel, and I will examine the eyes of all who come free of charge. For the last 4 months I have been stopping at Walnut Cove. I have treated and fitted with glasses some of the best known citizens of Stokes county, most of whom you know personally. Some cases were so bad that they had been given up by the best eye specialists as beyond help; but I am glad to say that in each case I was absolutely successful.

For the next few weeks I will be in Danbury, and if you suffer with headaches or have any eye trouble, don't miss the opportunity of a lifetime, but have your eyes examined free of charge by an Expert Optician.

I am a Graduate of Germany, hold license from North Carolina State Board of Optometry and have had 17 years experience, so don't be discouraged, no matter how bad your eyes are, if help is possible I will help you.

Remember that you will be under no obligation to order glasses unless you wish to do so.

Special attention is paid to School Children. I also straighten cross eyes without operation or pain.

Hoping that you will not neglect so great an opportunity to secure a FREE EXAMINATION.

DR. I. R. MELTZER, Optometrist,

At McCanless Hotel, Danbury.

P. S.—If you can't come write or phone me and I will call at your convenience.
