

PICNIC AUGUST 17

BY THE FARMERS UNION

President R. L. Nunn Calls On Members to Come and Bring Baskets and Have a Good Time

To the Members of the Farmers' Union of Stokes County: We are making the effort of our lives to make this Farmers' Union picnic the greatest one ever held in Stokes county and with the hearty cooperation of all the members we earnestly desire to see you there.

I want each local to meet some time between now and the 17th and make a special effort to get all their members to come and bring a well filled basket of good things.

Prof. Todd of Stuart, will be there with his Brass Band to make excellent music for us, and Messrs. P. M. Comer, J. Z. Green and others will make speeches for us. So be sure and come! Each one of you do the duty of life for one day and give your family a good time. We will have plenty of marshals to look after the crowd and keep things straight. We would like for each man who was a marshall last year to come early Saturday morning or Friday night as they know what to do. We would like to have them to serve again.

The game meets on the 16th at 8 o'clock P. M. at the Taylor Hotel. Be sure and meet us there. Mr. P. M. Comer and myself

will speak at Frestonville on Aug. 15th, at 10 a. m. Fraternally,

R. L. NUNN.

Rev. Fred Smith, of Red Shoals, preached at the M. E. church here last Sunday night to a good sized congregation. Mr. Smith is quite a young man and has only recently entered the ministry. He preaches a logical sermon delivered with great earnestness and sincerity. His many friends predict for him success in his chosen work and large usefulness in the gospel field.
