BOARD OF ELECTIONS

IN CONTROL OF SIMMONS

Purport of Late Visits of Mr. Ward of Washington Into Stokes — Kitchen Without Representation On Board.

It is learned that Mr. Ward, of Washington, who is Senator Simmons' secretary, has recently been very active in Stokes county in the interest of his chief. He has paid several visits to the county, and a good many people did not know just what brought the Washington gentleman here. Now it is apparent that one object of his visit was the securing of information that would lead the Simmons managers to secure the control of the party machinery in the county. This theory appears to be established by the fact that two Simmons supporters have been appointed on the Board of Elections, the third member being a Republican. It seems that the State Chairman, Webb, who is a Simmons man, appointed the election board without consulting the county chairman, Dr. Ellington, who is a Kitchen supporter, or the county executive committee, a majority of whom favor Kitchen. The election board appointed is composed of Messrs. S. P. Christian, J. C. Wall, H. M. Joyce. The Reporter has not talked with either Mr. Christian or Mr. Wall, but it is reported they are both for Simmons. The third member, Mr. Joyce, being a Republican, thus Gov. Kitchen is without representation on the board of elections in a county which is probably 90 per cent. favorable to his election.

C. A. MITCHELL DIES

WAS A PROMINENT CITIZEN

Accumulated Considerable Estate—Had Many Friends In the County.

The death of Mr. C. A. Mitchell occurred a few days since at his home at Dillard, this county. Mr. Mitchell was aged about 45 years and was one of the most substantial citizens of this county. During his life he engaged in the mercantile business, saw milling and farming, and had accumulated an estate valued at from \$7,000 to \$10,000. Mr. Mitchell had many friends in the county who will learn of his death with sincere regret.

Death of Aunt Caroline.

Aunt Caroline, an old and much respected colored woman, who has been a resident of Danbury for a great many years, died at her home here Monday after a brief illness following a stroke of paralysis sustained Sunday. Aunt Caroline was one of the oldest residents of the county, probably being near 100. She had lived for years with her son-in-law Charles Moody, who took care of her and was very good to her. The interment was made yesterday at the colored cemetery here.

THE DRY PRIZERY

DECLARES A DIVIDEND

It Is Decided to Double the Capital Stock—The Union Bank to Have Capital of \$25,000.

The stockholders of the Stokes County Union Warehouse Company held their annual meeting here Tuesday, which was attended by about 300, from all parts of the county. Sec'y-Treas. showed the business in fine condition. A ten per cent. dividend was declared and it was decided to double the capital stock.

The Company has disposed of a considerable part of the 1911 crop, having sold 129 hogsheads in one lot the past week, and expect a much better business this year than they had last.

The old board of Directors was re-elected, with the exception of Mr. Cabell Hairston, who is succeeded by Mr. G. W. Hawkins, and the directors re-elected all of the old officers for the coming year.

It has been decided to increase the capital stock of the bank from \$12,000, as originally planned, to \$25,000 and practically all of this sum has been subscribed. The bank directors will meet here Monday to decide on plans for building. — Walnut Cove News.

The Union Picnic.

The Farmers' Picnic was a great success. In the morning Messrs Comer and Ladd delivered very appropriate speeches, also the orchestra of Central Academy under the supervision of Prof. Ladd, rendered splendid music for the occasion.

Danbury and Dillard played a game of ball, the score being 4 to 0.

There was an abundance of dinner, every one had enough.

In the afternoon there were two very interesting ball games played between Pink Grove and Brownville, the score being 12 to 2. There were 10 innings. There was a dispute and the game stopped. The last game was between the roughs and toughs the score being 6 to 4 in favor of the roughs.

The large crowd left late in the afternoon after spending a most pleasant day.

CALLS FOR A WAKING UP

Democrats Urged to Come Out In Force to the Convention On the 31st. Put Up a Good Ticket, Reorganize and Win.

Dillard, N. C., Aug. 20.
Editor Reporter:

As our county convention will be held on the 31st, I desire to say to the Democrats of the county that we should have a large attendance of Democrats at this convention, as the time has come for the Democrats of this county to wake up and show their strength and their rights. Let us have a regular old-fashioned convention like we used to have in the old times, and let us put up the best ticket we have ever had of our very best men, and men who can and will win. Let us first have a re-organization, and a new machinery that will be composed of young men who will fight the battles of Democracy and win. Let us have a strong executive committee of one good man from every precinct in the county, and after the convention has elected the organization let it meet in Mr. Humphreys' office and get together and go to work. Wishing the grand old Democratic party great success,
J. WILSON MITCHELL.

PIEDMONT SPRINGS

ENJOYS SUCCESSFUL SEASON

Crowd Averages Better Than Last Year—Plans On Foot For Enlarging Capacity Of Hotel.

The season at Piedmont Springs has been the most successful for many years, the crowd even averaging better than last year. The hotel has been taxed to its fullest capacity for several weeks, while many guests had to be turned off for lack of room. It is quite probable that arrangements will be made for enlarging the capacity of the resort for next year. All the cottages have also been filled during the season, the crowd thus at the celebrated watering place being large and representative, composed of people from many States.

Democratic Ticket Suggested.

King, Aug. 12.

Dear Editors:

As the Democratic convention is drawing near we would like to suggest the following names for consideration for some of the offices:

Sheriff—Jesse A. Lawson.
Register of Deeds—W. E. Hartman.

Representative—Chas. W. Hutcherson of Meadows.

Commissioners—D. F. Tillotson, J. Adkins, Thos. Kallam.
Treasurer—Rev. Preston Stone.

Coroner—Dr. J. Walter Neal.
Surveyor—G. C. Davis.

We hope that every precinct in the county will be so well represented that the convention will have to hold an overflow meeting. We must put out a ticket that is not only pleasing to us, but we must take into consideration the great number of good Republicans that want to vote with us this time. A clean ticket, in our opinion, will have an excellent chance of election.

Card of Thanks.

A word of thanks: we the children of G. F. Dunlap desire to express our sincere thanks to our relatives and many friends for the kindness shown us during our father's recent illness and death. We can never thank them enough, and especially the writer, at whose house he died, will never forget the many kind acts shown him. It makes the neighbors feel more dear to me than ever.

Respectfully,

J. FRANK DUNLAP.

FLYING MEN FALL

victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that as T. B. Peebles, Henry, Tenn., proved. "Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used." So they help everybody. It's folly to suffer when this great remedy will help you from the first dose. Try it. Only 50cets at all druggists.

THE BULL MOOSERS

MAY RUN COUNTY TICKET

In This Event It Would Probably Mean the Defeat of the Regular County Republican Ticket.

There is some possibility that the Bull Moosers of Stokes will yet put out a ticket, though this fear is not very troublesome to the minds of the Taft supporters, who do not believe that the B. M.'s can muster enough force to count much. There are a large number of Republicans in the county who are still standing by the principles of Mr. Roosevelt, and if they should decide to go it alone and put up a ticket it would probably mean defeat to the regular Republican ticket in Stokes.

Cutting Tobacco.

The tobacco curing season is now on and many farmers in all sections of the county are beginning to cut and house. The cures are reported good. The crop for 1912 is large, and of fair quality. In some sections the dry weather has materially injured the crop, but, taken as a whole, perhaps the acreage is the largest ever before, while the quality will be up to the average.

MR. J. W. HALL.

Suggested as Candidate For the Senate From Stokes and Surry.

Editors Danbury Reporter: I will thank you to allow me space in your paper to suggest the name of a candidate to represent Stokes and Surry in the next General Assembly of North Carolina, from the 28th district. I will present the name of Mr. Jno. W. Hall, of Danbury.

Mr. Hall is a young man who has practiced law in Danbury for several years, and is making good in his profession. He is a true-blue Republican, and would represent the district with credit to himself and the party. There is no man in either county who would work harder in the interest of his constituents. A very strong feature in Mr. Hall's candidacy would be his ability to harmonize the party, not being connected in any way with any factional differences, if any exist. Mr. Hall is of excellent character, of good education, and a strong debator. He would serve the people well, and would be elected by a large majority beyond a doubt. We think that the Republicans of Stokes and Surry would make no mistake in giving the nomination to John W. Hall.
