**COMMENDED BY A FARMER.**

GREENSBORO, GA.  
 As long ago as I can remember I have known of Mustang Liniment. I always keep it in my house and if any of my family get injured in any way, such as sprains, cuts, bruises, and, in fact, in many accidents that happen I always use Mustang Liniment. On my horses and stock I never think of using anything else—it is far cheaper than doctors' bills. I recommend it to all farmers; it will keep their families and also their horses and other in condition. Very truly yours,  
 J. D. ANDREWS, farmer.
