## Democratic Landslide in Nation Sweeps Wilson Into the Presidency

Latest Returns At Midnight Give Woodrow Wilson 267 Electoral Votes, Roosevelt 29 and Taft 8. The Other States Either Uncertain Or Not Heard From Definitely.

### CRAIG CARRIES STATE ; KITCHIN IS DEFEATED

North Carolina Gives Democratic Majority of Fifty Thousand--Simmons' Majority Probably 20,000--Stokes Goes Republican With Slightly Reduced Majorities--Kitchin Carries Stokes By About 900 Over Simmons--Dr. W. C. Slate Leads the Ticket.

The Reporter closes its forms at one o'clock A. M., the latest news over the telephone being as follows:

There has been a landslide in the nation, sweeping Woodrow Wilson into the Presidency by the largest majority in the annals of American politics. Wilson has 267 votes in the electoral college sure, Roosevelt 29 and Taft 8. This gives Wilson a certain majority. The indications are that he has received 502 of the 567 votes.

North Carolina goes Democratic by 50,000. Settle is defeated by probably 60,000.

Senator Simmons it appears has defeated Governor Kitchin in the State primary by a majority of about 20,000.

Surry is Republican with reduced majorities. Forsyth is Democratic by 150 except Masten, Republican, who is elected by a small majority.

Simmons carries Guilford by 600, Randolph by 1,800, Mecklenburg by 1,200. Kitchin carries Forsyth by 150.

The result of the senatorial primary is not known accurately, as possibly many mountain counties have not been heard from definitely. For instance Kitchin's majority in Stokes of nearly a thousand was not included in the estimate which gives the victory to Simmons by 20,000. However from the best indications we could receive up to going to press it is almost certain that Kitchin is defeated.

#### COUNTY.

Stokes is Republican with about the usual majority. Dr. W. C. Slate leads the ticket with a majority over Sheppard of about 438.

The figures in the table herewith are official except those of Freeman's and Pine Hall, from which points we were unable to get the returns, but the result at those places is practically the same as two years ago, and we are therefore substituting the figures as of the election of 1910, in order to make the table as complete as possible.

#### CONGRESSIONAL.

The result between Craig and Settle in the county was not obtained, though it is pretty sure that Settle ran well with the ticket. At Danbury he had but few scratches.

Major Stedman's majority in the county is probably the largest of any of the Democratic candidates in the county. He increased his vote at practically every precinct.
