## MONEY IN THE HOUSE

Making Your Bank At Home Is Foolish and Dangerous

### LOOK OUT, THIEVES

They May Deprive You in a Day or Night of Your Life's Savings.

There is no feeling which will bring greater comfort to the family than to know that there is a good snug sum in the bank, drawing interest day and night, and available for use instantly in case the need should arise. In a good many instances, whole families keep their savings with us—father, mother, and all the children each regularly placing a sum to their individual accounts, and systematically adding to it. Nothing will give the children more valuable ideas of business and economy than to educate

them to put their money in the bank. The most foolish thing in the world is to spend all you make, and the next most foolish practice, is to try to keep your money in the house, which one both dangerous. Fire, thieves, or other accident may deprive you in a day or night of your life's work. Sometimes the thieves try to cover their tracks with murder and fire. The papers are full of just such happenings. The place to keep money is in the bank, and besides being safe there, it is bringing in interest all the time.

We receive any amount on deposit, and pay interest at the rate of four per cent., compounded every three months.

BANK OF STOKES COUNTY, Danbury or Walnut Cove.

Verily, it is not deep words that make a man holy and upright; it is a good life which makes a man dear to God. Imitation of Christ.

## BAPTISING SUNDAY.

Services At Piney Grove Baptist Church Largely Attended.

Sunday was the regular monthly appointment for services at Piney Grove Baptist church but probably the largest audience for quite a while was in attendance on the services. This was caused by the baptising which was held at Clemmons Old Forge on Dan river, near the church, when Elder J. A. Ashburn baptised Mrs. William Vaden, Mrs. Rufus Lawson, and Mr. Robert F. Shelton, each becoming a member of the Baptist church.

Elders Ashburn and Tucker each preached after the services at the river.

Mr. Ed Smith of Campbell was here Monday. He is one of the most skillful horse-traders of the northern part of the county.
