## BANK FOR PILOT MT.

Capital Stock Of \$20,000  
Nearly All Subscribed.

### WILL OPEN SOON

Mr. I. M. Gordon Promoter Of The New Bank, And Will Likely Be Cashier.

Pilot Mountain is to have a new bank soon and Mr. I. M. Gordon will in all probability be its cashier.

Some days since Mr. Gordon, who was formerly Register of Deeds of Stokes county, started a campaign to raise stock for a new bank at Pilot Mt. and it is understood that most of the \$20,000 capital has now been raised, and that the company will get a charter and begin work on a new building right away.

It is learned that nearly all of the leading and influential citizens of Pilot Mt. and community have subscribed liberally to the new enterprise and it will no doubt be a success.

James M. Mabe was born September 6, 1841, died January 18, 1914, making his stay here on earth seventy-three years, five months and twelve days.

He was a kind and loving father, and all was done that could be done by neighbors and friends to relieve him of his suffering. He bore his suffering with patience, and often talked of going home.

I wish to thank the neighbors and friends for their kind attention during my father's sickness and death.

We had a loving father, Dear and most precious to our sight,

Alas, that stroke was severe That took our heart's delight.

A mortal disease came, And laid his body low, But still his faith in Christ was strong,

He seemed inclined to go.

For many days he was in pain and anguish, Yet he seemed resigned to wait his Father's will,

At last his spirit was released and left its cumbersome cage, And to the realms of endless peace it quickly soared away.

Our father and our mother are both taken away, And we are left alone, But there is not a doubt upon our mind but the victory is theirs, And while we are left behind we hope to meet again.  
WESLEY MABE.

Mr. J. F. Mabe, of Campbell, was here yesterday.

Mr. Wade H. Shelton, of Danbury Route 1, was here today.
