## WALNUT COVE LETTER

Many Citizens Come To Town To See Automobile Tour.

## EXCITING RACES

Messrs. Fulton and Linville Victorious In Free For All Foot Race.

Walnut Cove, July 1.—Scores of people attracted by the news of the automobile tour, spent Saturday here watching the numerous cars as they sped along the Main Street of Stokes county's metropolis. As the parade passed by joy was written upon the faces of the entire crowd and everyone seemed to realize that King Mud no longer reigns but that a change has been wrought whereby one of the best counties of the state is placed in touch with the outside world.

The latest innovation along the sport line was the free-for-all foot race held on Main Street Friday evening at sunset when the champion sprinters of the town exhibited so brilliantly their trotting qualities. The first contest was an exciting three hundred yard dash with Messrs. J. N. Young and Jacob Fulton contesting for the honors. After thorough preparation which consisted mainly in the removal of shoes and other unnecessary apparel Mr. Young announced his readiness, the hat was dropped and both parties dashed away with the rapidity of a descending motor. For awhile the race was close and feeling ran high but suddenly there was a lull in the proceedings when Mr. Young, suffering from a punctured heel, fell by the wayside and was left behind. The last race with Messrs. A. J. Fair and P. H. Linville, the participating trotters, was very interesting. Mr. Linville was first to reach the goal being about the length of his circumference in advance, however, Mr. Fair asserts that he only stopped to find the goal when his competitor brushed by.

The many Democrats who attended the convention at Danbury Saturday returned very enthusiastic over the splendid men selected for the various county offices.

Messrs. Jacob and Geo. Fulton, R. L. Vaughn, N. M. Walker and Odell Jones went to Piedmont Springs Sunday.

Mr. Lawrence McRae, of Winston-Salem, was here Saturday looking after some business interests.

Dr. J. W. Slate spent a short while with relatives at Danbury Sunday.

Miss Ersell Whittemore, of Wentworth, is spending some time with Miss Sallie Fulton.

Mr. Jno. W. Gann of Madison was in town last week on business.

Mr. Portney Bailey left Tuesday for Bristol, Tenn., where he expects to spend a short while.

Mr. T. S. Petree, of Danbury, was here last week enroute to King where he attended a meeting of the stockholders of the Bank of King.

Mr. S. V. Wimbish spent Saturday and Sunday here with friends.

Mr. E. W. Carroll was in town Monday on business.

Mrs. R. L. Murphy left Tuesday for Lexington to be with her brother, Prof. Joe Hill, who is seriously ill.

Messrs. E. P. Pepper, S. P. Heath, Ben. Cahill and others of Piedmont Springs were here a short while Monday.

Messrs. A. W. Davis and O. N. Petree went to Danbury Monday on business.

The little son of Mr. R. R. King fell from a buggy here Monday and one wheel of the vehicle passed across his body but the boy escaped uninjured.

No clue has yet been found to throw any light on the burglary committed here last week. Bloodhounds were used without success.

## PROVES SUCCESS TIME 58 MINUTES

Near Forty Cars Take Part In the Celebration of the Completion of the Stokes County Highways.

About forty automobiles and some two hundred people participated in the automobile tour from Winston-Salem to Piedmont Springs Saturday afternoon.

The tour, which was conducted by the Winston-Salem Automobile Club, was in celebration of the completion of the new highways in Stokes county.

All along the route large crowds of citizens of the county gathered to see the tourists pass, several hundred people greeting them at Walnut Cove, Danbury and the Springs, and much enthusiasm was shown by the Stokes people as well as by the tourists from our sister county. At Danbury the long steel bridge being decorated for the occasion with laurel and other evergreens and displaying banners with appropriate inscriptions, as "Welcome," "Hail, Good Roads," "Let the Good Work Go On," etc., which work had been done by Mr. H. ## Jury Awards Claude Martin The Sum of \$5,000.

Mr. Claude H. Martin, of Madison, was Monday awarded damages to the amount of \$5,000 in Superior Court at Wentworth. Mr. Martin was suing the N. & W. Ry. Co. for the sum of \$25,000 for injuries received about a year ago in West Virginia while he was firing for it and was knocked off of his engine by a box car on a side track which was not far enough away from the main line. Mr. Martin was severely cut and bruised about the head and at the time it was not thought that he could live. The verdict is considered a very low one. McMichael and Hendren represented the plaintiff, while Buxton and Scott represented the defendant. The railroad will not appeal, we understand. —Madison Herald.

## Important Bill Passed By House

Washington, June 29.—With an unusual demonstration, the House today unanimously passed a bill to repeal a section of the statutes which prohibits the payments of accounts claims or other obligations against the United States in favor of any one who encouraged or sustained or in any way favored the cause of the South.

The measure would open up claims of various kinds aggregating about \$165,000 from West Point graduates who were afterwards officers in the Confederacy.

Representative Graham told the House he had found stowed away on the Judiciary calendar this bill to remove penalties from men who had fought in the South.

"The half century or more which has passed, said Mr. Graham, has brought together the warring combatants of Gettysburg to weep and cheer in unison on that fateful field. Let's wipe from the statute books the offspring of the feelings which bitter strife engendered."

The measure was passed promptly without a dissenting vote and enthusiastic applause came from both sides of the chamber.

## TIME TO GET BUISSY.

The Annual Reunion of the Old Confederate Veterans In Stokes Should Not Be Overlooked.

So far as the Reporter has learned nothing has so far been done or said in regard to the annual reunion of the old Confederate Veterans of Stokes, and as the usual time for the event is drawing near it is hoped that the proper authorities will get busy and appoint a day as well as make other necessary arrangements for the annual reunion of veterans.

Cap. J. J. Martin, of Sandy Ridge, is commander of the Veterans of Stokes and it is hoped and believed that he will soon take active steps for the gathering this summer. It would be too bad to let the organization die. Let's get busy.

## Death of Mrs. Robt. Priddy.

## MITCHELL COUNTY HAS NO AUTOMOBILE

Sheriff Writes Treasurer Lacy In Regard to License Tax.

State Treasurer B. R. Lacy was amazed to learn that there is a county in North Carolina that has not a single automobile in it. It is Mitchell county and the information came in a letter from the sheriff of the county, Joseph Tipton, who replied to letters from the State Treasurer urging that special attention be given to seeing to it that all automobile owners pay the State license taxes and that automobile agents have their State licenses when offering to sell machines.

Sheriff Tipton wrote that there was not a machine in Mitchell county and that there had not been any agents undertaking to sell any. However, he informed the State Treasurer that he had notified his deputies to keep a lookout both for machines and for agents and the enforcement of the law.

Treasurer Lacy has sent letters to all the sheriffs insisting that there be strict enforcement of the license tax statutes.
