

## DATES ARE FIXED

October 19, 20 and 21 Time Fixed For Stokes County Fair At King.

## NICE PREMIUM LIST

Has Just Been Issued And Shows Excellent Cash and Other Prizes Fair To Be Improved This Year.

The dates for the next Stokes county fair to be held at King have been fixed for October 19, 20 and 21, 1915, and the large premium list has just been printed and is being distributed. The list shows a large number of excellent prizes in each department and this will no doubt result in handsome displays in the various departments.

It is learned that considerable improvement will be made in the fair this year. The race track has been greatly improved and the grounds have had considerable work done to them. With the excellent crops this year and with additional and larger prizes the agricultural department of the fair will no doubt be better than that of any previous year.

After the ride they will be driven to the Academy (11 o'clock) where the exercises will be held.

After the exercises dinner will be served to the veterans and wives of veterans on the school ground by the Daughters of the Confederacy.

The public generally is invited to attend these interesting and patriotic services, especially the young people of the town and county.

Germs and infection aggravate ailments and retard healing. Stop that infection at once. Kill the germs and get rid of the poisons. For this purpose a single application of Sloan's Liniment not only kills the pain but destroys the germs. This neutralizes infection and gives nature assistance by overcoming congestion and gives a chance for the free and normal flow of the blood. Sloan's Liniment is an emergency doctor and should be kept constantly on hand. 25c., 50c. The 1.00 size contains six times as much as the 25c.

## SUPERIORITY OF WIDE TIRES

It Has Been Found By Actual Test That Broad-Tired Wagon Pulls 6.2 Per Cent. Easier.

Wide tires build up roads and save horse labor, according to the department of agricultural engineering at the University of Nebraska. They have the same effect upon a country road as a roller on a plowed field. On the other hand, the narrow tire cuts up a road like a disk.

It has been found by actual test in this department that the wide-tired wagon pulls easier in nearly all cases than the narrow-tired wagon. In deep mud on a country road the wide-tired wagon pulls 6.2 per cent. easier.

On a country road with a thin face of mud or deep dust, however, the narrow tires pull 4.9 per cent. easier. In a corn field the wide tires pull 30.5 per cent. easier, in a dry alfalfa field 17.7 per cent. easier, and on a dry country road 10.2 per cent. easier.

## None Equal to Chamberlain's.

"I have tried most all of the cough cures and find that there's none that equal Chamberlain's Cough Remedy. It has never failed to give me prompt relief," writes W. V. Harner, Moppler, Ind. When you have a cold give this remedy a trial and see for yourself what a splendid medicine it is. For sale by all dealers.

## Would Reduce Cost of Rural Mail Service

Postmaster General Burleson has worked out plans for reducing the government's expenditure for the operation and extension of the rural delivery and mail service. He will ask Congress next December for an appropriation of \$49,000,000 for the rural mail service. Congress, by continuing the old postoffice appropriations bill, provided \$53,000,000 for this service. Mr. Burleson, however, believes he can provide an efficient service and take care of extensions for \$4,000,000 less. Of the \$49,000,000, \$48,000,000 will be used to operate all rural mail routes, and \$1,000,000 will be devoted to extensions.

The saving of government funds in the operation of the rural mail routes has been made possible by a revision of many routes, eliminating duplication of travel and unnecessary retraces, and by the introduction of the automobile in the field of postal transportation. Mr. Burleson reports that where the automobile has been introduced the service is giving satisfaction.

## Panama Exposition Now Out of Debt

San Francisco, Sept. 2.—The executive committee of the Panama Exposition board of directors announced today the adoption of a resolution authorizing the comptroller to pay \$110,159 to the Union Trust Company in settlement of all indebtedness. The original debt to finance the exposition was \$962,340.98. An "out of debt" celebration will be held Friday.

## Worth Their Weight in Gold.

"I have used Chamberlain's Tablets and found them to be just as represented, a quick relief for headaches, dizzy spells and other symptoms denoting a torpid liver and a disordered condition of the digestive organs. They are worth their weight in gold," writes Miss Calra A. Driggs, Elba N. Y. For by all dealers.

## OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's.

## Charlotte Firm May Manufacture Shells

Charlotte, Sept. 2.—Agents for J. P. Morgan and company, Great Britain's financial agents in this country, have made an offer of a contract to the Moffatt Machinery company, of Charlotte, to manufacture 1,000,000 shells, a \$4,000,000 contract, with 25 per cent. of the money placed in banks before the work is begun.

W. E. Moffatt, president of the Moffatt company, stated today that his company was given 10 days in which to consider the offer, also stated that the agents of the British government would be in Charlotte tomorrow to confer with Mr. Moffatt as to the position, said agents being connected with the firm of J. P. Morgan and company, of New York, Great Britain's fiscal agents in the United States.

Mr. Moffatt has not decided as to his acceptance of the offer but will do so tomorrow at his conference with the Morgan and company agents. He thinks it very likely that he will accept the offer of the contract.

The Moffatt company, if it accepts the offer, will be given six months in which to install the necessary equipment, and two years in which to make the one million shells, the two contracts to be accepted or rejected at once—possibly tomorrow at the conference between Mr. Moffatt and the Morgan agents.

## Free Examinations at State Sanatorium

The State Sanatorium for the Treatment of Tuberculosis, under the authority of the State Board of Health, makes examination for tuberculosis for all persons who so desire and who present themselves at that institution. Heretofore, there has been no restrictions as to the day and hour that the public should receive this free service but owing to the large number of people from all over the State who are now taking advantage of these services, a few restrictions have become necessary.

Instead of patients presenting themselves at all times and hours during the day and night, they are requested to write to the Sanatorium, Sanatorium, N. C. and make an engagement, as only the morning hours of the day will be given to this work. Otherwise, persons may find on arriving the day full before them which will necessitate their returning home and making another trip.

## CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quick-silver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crumbles into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine, entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless, doesn't gripe and they like its pleasant taste.
