

WAREHOUSE LEASED

McGehee and Hutcherson Will Again Operate New Tobacco Warehouse.

AT WALNUT COVE

Work Started On School Building - Republican Primaries Held Saturday - J. B. Woodruff Fine Farmer - Other News Of Walnut Cove.

At the Republican township primary held at the warehouse here Saturday, which eclipsed all prior primaries from a point of attendance, A. W. Davis held a strong lead over his opponent, W. R. Mitchell, by carrying his home precinct 106 to 26. Sam Heath for Register of Deeds carried a vote of 72 while Messrs. Dunlap, Gordon, Jones, Morefield and Bennett had a following of from 3 to 30 votes. Elder J. A. Fagg carried practically the entire strength of the primary for renomination as treasurer. Reports from Freeman and Pine Hall, while not definite, indicate that Davis, for Sheriff, Heath, Morefield, and Dunlap for Register of Deeds and Fagg for treasurer, are well in the lead of their opponents. The primary here was marked by extreme quietude and harmony.

At a meeting of the directors of the New Warehouse Friday afternoon with a full attendance of the officers, the warehouse was leased for the coming season by Messrs. McGehee & Hutcherson, who had charge of the house last year. Those who have the interest of the tobacco market here at heart will be pleased to know that these same gentlemen will be with us again this year. Farmers throughout the county who have become acquainted with Henry McGehee and John Hutcherson and who know the hard work they both put into a tobacco sale will also be gratified with the continued efficient management of the New house.

Railway employees in the service of the Southern report that more than four hundred men are at work on the Wilkesboro division this week repairing the damage done by the recent floods on the Yadkin. No trains are being operated on this division of the Southern and it will possibly be six or eight weeks before the debris is cleared away and the track relaid. Freight traffic and mail facilities are badly demoralized.

The Walnut Cove Baseball Club crossed bats with the Pinnacle boys Thursday on the latter's ground with a result of 5 to 1 in favor of the Pinnacle team. The team from here will play Martinsville, Va., at Martinsville next Friday. The team is composed of Seymour and Paul Middleton, John and Albert Bailey, W. P. Wheeler, Ed Johnson, Jack Marshall, M. N. Wheeler, P. W. Davis, Jno. Burton and others.

The brick work on the new school building was commenced today under the supervision of Messrs. Charles & Co., of Winston-Salem. It is hoped to have the walls completed within three or four weeks from this date. Excavation has been made for the installation of a heating plant should it be deemed best to install one this year. This will depend a great deal upon the financial condition of the district after the completion of the building and at this time it is thought that there will be sufficient funds to do the work.

Messrs. J. M. Taylor of Stoneville, B. N. and Marvis Neal, of Balslev Creek, were here Friday on business.

Mr. A. C. Fair, of Dallas, Tex., came in last week for a home visit to homefolks. Mr. Fair is very much pleased with his location and his friends are glad to learn that he is prospering with success in the Lone Star State.

Matthews, of Stoneville, who was book keeper for the New warehouse here the past two years has accepted a similar position with Gorrell's warehouse at Winston-Salem.

Mr. J. B. Woodruff has on display at his store some unusually large potatoes which he raised on his farm. Three of the abnormal spuds weigh more than a pound and it takes but a few 'hills' to produce a bushel. Mr. Woodruff also has a splendid field of watermelons which are rapidly approaching the ripe and juicy state in spite of the continued rainy weather.

TEACHERS AT KING

The County Institute Is Having A Record-Breaking Attendance.

120 ARE ENROLLED

Republican Primaries Held Saturday - The Vote For The Various Candidates - Other News Of King.

King, July 25. - King is alive this week with a gorgeous array of the most beautiful girls and handsome young men from Forsyth, Surry and Stokes counties, and some from Virginia. They are all here, blonde and brunette, large and small, and mingling together like some mighty reunion. All previous records have been smashed and the largest crowd that ever assembled at an Institute has gathered here. Prof. Smith, county Superintendent of Education, is in charge and with the able assistance of Prof. D. M. Weatherly, of Franklinville Graded School, is conducting it along the high plane set out by the State Board of Education.

Enrollment on the first day exceeded eighty and every train for the first few days continued to add to this number until now there are more than one hundred and twenty massed in the King High School building, being further instructed in their chosen profession.

On Tuesday night all gathered at the home of Mr. and Mrs. B. F. Pulliam and in an informal way amused themselves playing games on the spacious lawn of the Pulliam home and becoming better acquainted generally. This part of the program was very amusing as they were not unlike school children out at recess enjoying themselves to the uttermost.

This happens to be leap year and all the old bachelors of King are up in the air. Elmer Newsom has hit for tall timber and his present location is unknown.

The names of those attending the Institute are as follows:

that has been called to meet in Danbury on the 29th. The race for Sheriff seems to be the center of attraction, and the most notable coincident was the fact that each candidate for Sheriff received the same number of votes. The vote for the different candidates was as follows:

- For Sheriff: A. W. Davis 25; W. R. Mitchell 25.
- For Register of Deeds: Wiley Edwards 17; Lathe Gordon 11; Frank Dunlap 8; O. M. Bennett 7; J. G. Morefield 4.

DAMAGE FROM HAIL

Tobacco Crops In The Neighborhood of Bennett's Store Suffer From Storm Yesterday.

HAD NO INSURANCE

W. R. Bennett, Eli Nelson, W. A. Nelson, Capt. Lee Nelson, Bun Nelson and Others Among the Losers.

A severe hail storm seriously damaged tobacco crops in the neighborhood of Bennett's store, five or six miles north of Danbury yesterday afternoon. Among those who suffered the losses are the following: Lee Nelson, W. A. Nelson, Bun Nelson, W. R. Bennett and others. None of the farmers carried any hail insurance, and their loss will be severe. Hail storms are quite frequent in the tobacco belt, and wreak thousands of dollars damage to the farmers.

The crops of R. C. White, Lum Booth and Ed White were slightly hurt by hail last week, but their losses are fully covered by insurance.

The contest for Register of Deeds was the next strongest, but the exact vote received by the several candidates could not be secured. From the best information obtainable it appears that the present Register of Deeds John G. Morefield is in the lead, while Sam P. Heath, Lathe Gordon, J. Frank Dunlap and O. M. Bennett, each have a strong vote. It is certain that the successful candidate will not be nominated on the first ballot and it looks at present like a number of ballots will be necessary.

The vote for Sheriff at the several precincts, as near as it could be secured, was as follows:

W. R. Bennett, Eli Nelson, W. A. Nelson, Capt. Lee Nelson, Bun Nelson and Others Among the Losers.
