

KING HAS 4-H CLUB WITH 60 MEMBERS

Officers Elected and Much Enthusiasm Is Shown—Agent Trevathan May Award Banner.

Modern youth has often been called indolent. Be that as it may, there are exceptions. Among them, we hope, are the members of the 4-H Clubs recently organized in Stokes county.

the students of King high school, where he secured a club of approximately sixty members, the largest yet organized in the county.

"Being a 4-H Club member means coming home from church when one would like to go to see Sallie," said Mr. Trevathan. In other words, it requires work, one of the fundamentals of success.

grain, gardening, calf, and pig. As Stokes has no Home Demonstration Agent, canning and sewing are not included, but the girls will find in the above list a variety of delightful substitutes for which they have equal talent, and can manage with as much efficiency as their brothers.

than are: For the poultry project, Barred Rock and Rhode Island Red; for the calf project, Guernsey and Jersey; for the pig project, Poland China, Duroc, Berkshire, and Hampshire.

In conclusion, the speaker requested all who were interested in club work to remain in the auditorium. About sixty remained, and from this group, the officers of King's 4 H Club were selected. They are: President, George Barr; Vice-President, William Tuttle; Secretary-Treasurer, Worth Kirby; Cheer Leader, Johnnie Grabs; Song Leader, Una Petree; Club Reporter, Iva Petree. These will hold office only until December 1929, which is the regular month for electing officers of the 4-H Club.

King's 4 H Club is not deficient in enthusiasm. In fact, it was so noticeably present that it was with difficulty that order was maintained. Throughout the entire period, there could be heard snatches of, "What will your project be?" "I'm going to get a calf." "Pigs for me!"

Important to BUYERS OF NEW CARS

FROM time to time General Motors has devoted its messages in this paper to giving facts which help the car-buyer get full value for his automobile dollar.

Important price tag used by General Motors dealers to show what makes up the delivered price of their new cars. Includes fields for Name of Dealer, Model No., Body Style, List Price, Freight and Delivery, Delivered Price, Accessories, and Total Delivered Price.

WHEN you buy a new automobile, it is the delivered price that you actually pay.

The delivered price consists of the list price of the car—the f. o. b. price advertised by the manufacturers—plus certain other charges which the dealer makes.

You should know exactly what those charges are and what each one is for.

There is no mystery about the charges added by General Motors dealers. They have adopted this standard price tag, which tells you everything. Nothing is hidden. There is no extra charge to permit a seemingly better trade-in offer.

the list price and the delivered price. Each charge made by the dealer is fair and reasonable.

Use this tag for reference. Make it your guide in comparing automobile values. For the delivered price is the price you really pay.

Below is given the range of list prices for each General Motors car. They are just as low as General Motors' vast production, centralized purchasing and reasonable profit per car can make them.
