Never wait to see if a headache will 'wear off.' Why suffer when there's Bayer Aspirin? The many millions of men and women who use it in increasing quantities every year prove that it does relieve such pain. And as surely relieves that of neuralgia; neuritis; even rheumatism. Doctors declare genuine Aspirin (with the Bayer Cross on every box and tablet) does not affect the heart. Any drugstore.

Are You Ready When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the crueler pangs of colic, or constipation, or diarrhea; effective, too, for older children. Twenty-five million bottles were bought last year.
