GEO. A. YOUNCE ONLY CANDIDATE

Looks Like Race For Solicitor Has Gone To Greensboro Man—Other Candidates Have Withdrawn.

Greensboro, Jan. 21.—Geo. A. Younce, Greensboro Attorney, is left as the only announced candidate for nomination in the June, Democratic primary, for the post of solicitor in the 12th judicial district, as result of the withdrawal of H. L. Koontz, Greensboro, from the race. P. V. Critcher, Lexington, often mentioned as a possible candidate, has definitely stated he will not run. Solicitor Frank Spruill will not seek the place for another term.

The 12th district includes Guilford, Davidson and Stokes counties.

Mr. Younce is widely acquainted through the three counties. He has served two terms as a legislator from Guilford county and was active in committees and on the floor. He has been in the practice of law here since 1921 and for a year previous was an associate of Judge P. S. Carlton, at Salisbury. His fraternal connections have been another means of contact. He is a senior deacon in the Masonic lodge, is dictator of the Greensboro Moose and a chaplain in the Elks lodge here. He has served as a past chancellor and district deputy of the Knights of Pythias. The last legislature elected him to serve eight years as a trustee of the University of North Carolina.

Mr. Younce originates from Davidson county. His father was Charles P. Younce, and his mother before her marriage was Miss Elizabeth Kepley. He was brought up in Rowan county and went from High School at Spencer to the University of North Carolina where he graduated in 1919 and finished law course in 1920, passing the Fall Bar Examination of that year. As "Jo Jo" Younce he was known as one of the University's most reliable baseball catchers and pinch hitters during the years 1917 through 1920, and ninth inning hits from his bat won two games for his team in the annual Virginia contests.

Mr. Younce is an ex-service man, a Baptist, married and has one child.

Sheriff Taylor Captures A Still

Sheriff John Taylor captured a nice copper still on a branch a mile west of Piedmont Springs today. The still had been in operation just before it was captured, but all the whiskey had been removed. No arrests were made in connection with the find.

BAPTIST ELDER PASSES AWAY

Rev. Paul Priddy, Well Known Citizen of County, Succumbs To Illness Of Several Years.

Elder Paul Priddy, a minister of the Primitive Baptist church, and a well known citizen of Stokes county, passed away at his home a few miles northeast of Danbury on Saturday night, following an illness of several years, though his condition did not become serious until a short time since.

The deceased who was among the best citizens of this county, is survived by his family and several brothers and sisters. Funeral services were held at the home on Monday and interment was in the family plot, near the home. A large number of sorrowing friends were in attendance.

N. L. CRANFORD DIED TODAY

Well Known To Many Stokes People — Had Been Warehouseman and Merchant In Winston-Salem.

Nat L. Cranford, well known to hundreds of Stokes county people, died at his home in Winston-Salem last night after an illness of three days with pneumonia.

The deceased, who was 60 years of age, was one of the proprietors of Planters Warehouse at the time of his death. He was formerly a leading clothing merchant in the Twin-City, was postmaster, and was for several years with the State department of revenue. He was also associated for some years with Taylor Bros., tobacco manufacturers.

MAN FALLS OVER CLIFF TO DEATH

Virginia Youth Plunges Over Precipice While at Work On Road.

Stuart, Va., Jan. 23.—Harvey Williams, the 29-year-old son of Mr. and Mrs. J. P. Williams, of Stuart, Route 4, fell to his death Sunday afternoon at 4 o'clock, when he lost his footing and plunged down a precipice 200 yards to his death.

The accident took place on the J. E. B. Stuart Highway, about 10 miles west of Stuart, and about 300 yards this side of the famous Lovers Leap, where the new graded highway cuts through the almost perpendicular face of the mountain.

County Agent Trevathan Recommends Analysis and Amount Of Fertilizers For Our Soils.

For soils now in a fair state of productiveness the following recommendations are made for the use of fertilizers on the various soil types of Stokes County:

For Upland Soils With Red Or Brown Subsoils		
		P. N. K.
Corn	400 lb.	10-5-3 fertilizer.
Small Grains	400lb	10-5-3.
Tobacco	1000lb	8-3-5.
Legumes	400lb	10-2-4.
Sweet Potatoes	750lb	8-4-8.
For Upland Soils With Yellow Or Mottled Subsoils		
Tobacco	1000lb	8-4-6 or 8-3-5.
Corn	400lb	10-4-4 and 15 lbs amonia.
Small Grains	400lb	10-4-4 and 15 lbs amonia.
Legumes	400lb	10-2-4.
Sweet Potatoes	750lb	8-4-8.
For Light Colored Bottom Lands Fairly Well Drained		
Corn	400lb	8-4-4 and 10 lbs amonia.
Legumes	300lb	8-2-4.
For Dark Colored Bottom Lands, (Frequently poorly drained.)		
Corn	400lb	10-4-4.
Legumes	300lb	10-2-4.
Small Grains	300lb	10-4-4.

The extra amonia recommended should be applied in the form of a top dressing of some quick acting ammonia such as nitrate of soda or sulphate of ammonia to corn when about knee high and to small grains when the crop begins to send up stems for the formation of seed heads. Most soils in this county will respond favorably to the application of 1000 lbs. per acre or more of dolomitic lime.

J. E. TREVATHAN, County Agent.

M. O. JONES FOR CONGRESS

Leading Republicans Of District Favor Danbury Citizen —Sentiment Strong For Him In Surry.

Indications at this time are that M. O. Jones, of Danbury, will be the Republican candidate for Congress in the imperial fifth district in the general election next November. While Mr. Jones has made no statement, it is known that a number of the leading Republicans of the district are strong for him, and among these is Hon. Junius C. Harding, who was the opponent of Major Chas. M. Stedman in the last election.

Mr. Jones, who is chairman of the Republican Executive Committee of Stokes county, is well known throughout the district, having taken an active interest in politics for a number of years, and is one of the leading and most enthusiastic young Republicans of the State. He is cashier of the Bank of Stokes County here, is head of the Junior Order and Superintendent of the Union Sunday school.

Dr. Holman C. Bernard, of Pilot Mt., who was a visitor here this week, stated that sentiment in Surry county was strong for Mr. Jones. Dr. Bernard represented Surry county in the last Legislature and he keeps in close touch with things of a political nature. He feels that Mr. Jones is the ideal man for Congress.

While Mr. Jones has given out no statement as to whether he will enter the race or not, his friends are confident that he will accede to their wishes, and it seems now to be all but a certainty that he will oppose the Democratic candidate for Congress in this district in the next election.

Attorney John Folger, of Mt. Airy, who has been spoken of as the Democratic candidate for Congress in this district, was a visitor to Danbury today but failed to commit himself on the subject of running for the office. Hon. S. P. Graves, of Mount Airy, has announced definitely that he will not be a candidate for the office.

William Nelson was here today from the Ziffy Island section. Mr. Nelson says hunters are depredating on his land and destroying much timber. He secured posters and will post his land against hunters.

Good Tobacco Seed For The Asking

Winston-Salem tobacco people are offering farmers free tobacco seed. They can be had for the asking from any of the proprietors of the warehouses there.

CONTRACT LET FOR STUART ROAD

Hard Surfacing of Highway To Stokes Line Will Be Started Soon—Contractor Will Receive \$79,322.40.

Contract was awarded on Jan. 14th by the State of Virginia for hard surfacing the highway from Stuart, Va., to the North Carolina line at a point near McHone's garage. The Robt. Martin Company, of Salem, Va., were the low bidders, their figures being \$79,322.40 for the nine miles of road, and work will be started within a few weeks, it is stated. Infact engineers have already started the work of setting stakes for the contractor to work by. It is also stated that work will begin on the North Carolina end of the road.

The type of road to be constructed is known as macadam, which is being used in Virginia to a great extent. In constructing this type of road crushed stone is spread over the bed of the road six or eight inches deep and, after being smoothed and rolled, tar and fine gravel or sand is used to give it a smooth service and to bind the stone together, making a road that is next to concrete in durability and smoothness.

Since the Stuart road is assured it is felt here that the North Carolina authorities will soon take some action to meet Virginia at the State line with a surfaced highway. It is stated that North Carolina has not failed in a single instance to meet adjoining States with a good road at every point where the roads of these States have been constructed to our line, and it is not believed that this instance will be an exception to the rule.

Folger Urged To Run For Congress

Mt. Airy, Jan. 16.—J. H. Folger, prominent attorney of this city and Surry county representative in the 1927 general assembly, is being urged by his friends in this county and all over the fifth congressional district to make the race for congress in the forthcoming primary. This became more emphatically known yesterday when the Democratic lawyers of Surry county unanimously adopted a resolution requesting him to announce his candidacy and pledging him their support. Mr. Folger, who has been widely mentioned as a man capable and able to fill the office for the past four years, stated today that he has not yet reached any decision in the matter, but is seriously considering it.

Senator Grundy isn't saying much, but the mythical Mrs. Grundy has been even more inquisitious than usual since his appointment.
