Lexington Dispatch.
Attorney J. M. Hoyle, of Greensboro, one of the 3 candidates for judge in the 12th district, on the Democratic ticket, was in Lexington Thursday afternoon making a canvass of the city in the interest of his candidacy. A. Wayland Cooke, the other Greensboro aspirant, is reported to be centering efforts at Thomasville. John D. Humphreys, of Danbury, accompanied by several Stokes supporters, has made several trips here in his behalf. Both Democratic candidates for Solicitor are also working hard in this county.

S. L. Patterson, of Pilot Mt., attended Stokes court this week. Mr. Patterson has been a member of Surry county's road commission for years. He is also engaged in the wholesale grocery business at Pilot Mt.

TOBACCO

AVERAGES \$446.00 PER ACRE.

KING, STOKES COUNTY, N. C.

Greensboro, N. C.

Gentlemen :

I thought you might be interested in knowing what kind of tobacco crop we grew last year with ZELL'S. We averaged for our entire crop 1588 1-2 pounds to the acre, or \$27.61 per hundred. On eight acres of our crop we averaged \$446.86 per acre.

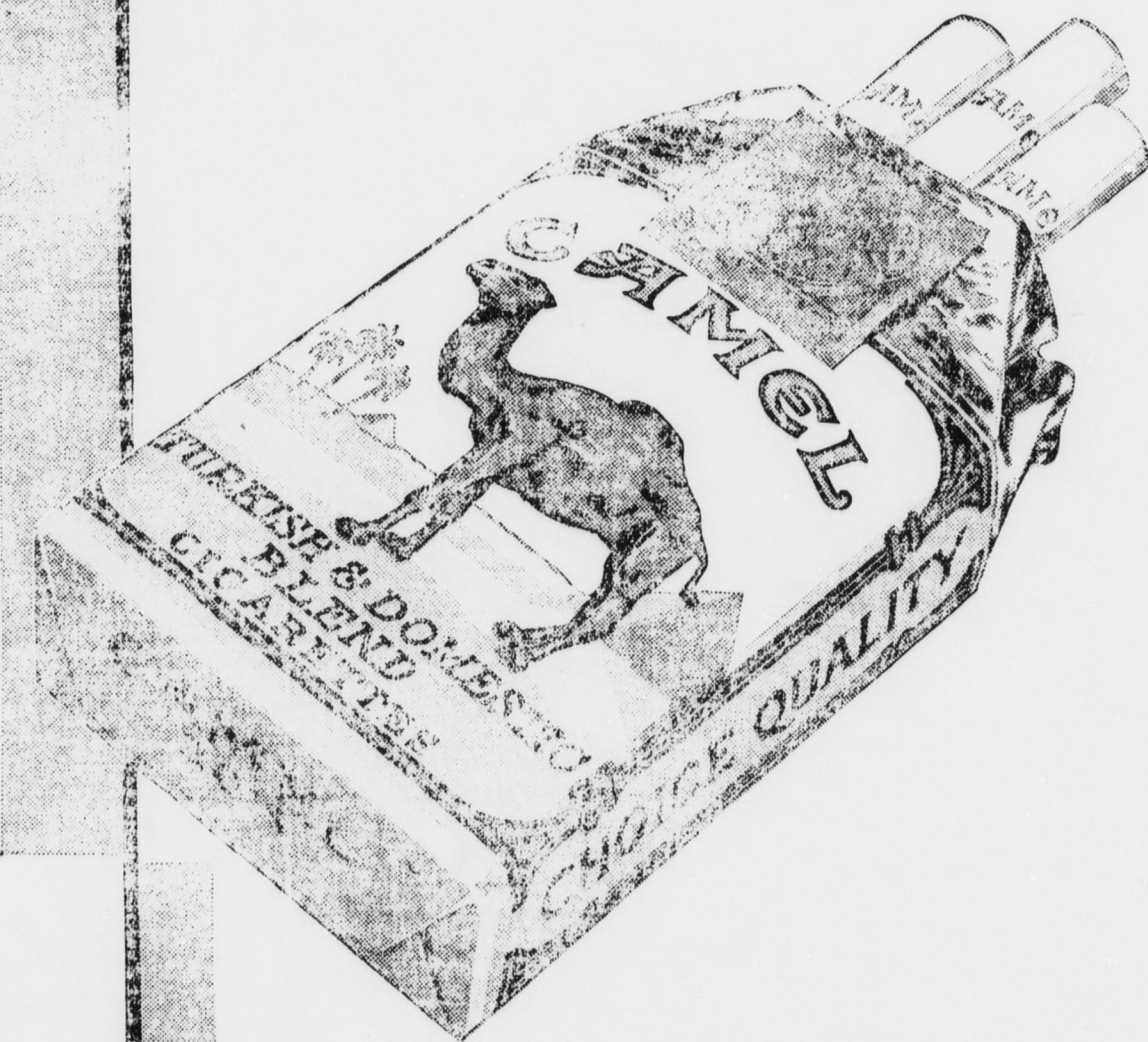

We have found that we can make better tobacco where ZELL'S is used by not side dressing with Nitrate of Soda. It seems that ZELL'S has everything in it that is needed to grow the maximum number of pounds and the best quality.

ZELL'S gives the best results of any fertilizer used in our section.

Yours truly,

W. B. SPRINKLE.
