Bailey, who is clean, brave before you cast your vote for and loyal, and who will not be embarrassed when the time comes to fight.

Simmons, through his prexy, Frank Hampton, voted to put Rascob on the national committee. Now that the country cused Miss Anne Kelly of will do all in my power to be knows Rascob is wet, Simmons is trying to make political capital by calling on the Jew to put Rascob off the committee, Bailey is therefore a terrible wet. Will the country swallow such rot as this?

The Simmons organization in North Carolina is attacking Bailey now with great fury, charging him with every sin in the political catalog. But be it remembered that all this hullaballoo is ony a smoke screen to obscure Simmons treachery in 1928, and fool the women and preachers into reelecting him. Bailey's record is clean and sound, and his armor is not dented by the foul assaults on his character. But if Bailey could be proved to be a horse-thief, is no excuse for voting for the greatest betrayer since Benedict Arnold.

When Simmons and McNinch refused to make public the source of the vast sums of money used in 1928 to defeat and humiliate the Democratic party in North Carolina, and turn the State over to Hoover, they destroyed the confidence of the people in their sincerity of purpose. This information has never yet been pumped out of them, notwithstanding the corrupt practices act says you shall not corrupt voters with money. As long as they withhold this knowledge, which the

When your Children Cry

Castoria is a comfort when Baby is fretful. No sooner taken than the little one is at ease. If restless, a few drops soon bring contentment. No harm done, for Castoria is a baby remedy, meant for babies. Perfectly safe to give the youngest infant; you have the doctors' word for that! It is a vegetable product and you could use it every day. But it's in an emergency that Castoria means most. Some night when constipation must be relieved—or colic pains—or other suffering. Never be without it; some mothers keep an extra bottle, unopened, to make sure there will always be Castoria in the house. It is effective for older children, too; read the book that comes with it.

FOR CONGRESS

FRANK HANCOCK OF OXFORD

HANCOCK STATEMENT:

TO THE DEMOCRATS OF THE FIFTH DISTRICT:

As a candidate for the nomination for Congress in the Democratic Primary on June 7th, I have made as vigorous and extensive campaign as my time and circumstances would admit. I have endeavored to carry on a campaign well within the spirit and the letter of the law and have tried to keep with me always a sense of fairness and straight dealing. I am sure that my friends have done likewise. Both my conscience and the future of the Party demand that this should be so.

The encouragement and support which I am receiving from friends and supporters throughout the District fills me with a sense of gratitute and appreciation which will go with me through life. With such support, I go into the Primary confident of success.

I have neither the disposition nor the financial means and connections which make possible the expenditure of large sums of money in this campaign. I must depend upon the confidence of the people of the District in my character and capacity to serve. I would not have it otherwise.

Of my life, both public and private, I invite the closest scrutiny.

A sincere ambition to serve faithfully and well brought me into this campaign. If the party chooses me as its nominee I promise a vigorous campaign for election, and I pledge my utmost endeavor to render to all the people of the District a service worthy of their confidence.

With the continued active and loyal support of my associates and friends, I am assured of the nomination. FRANK HANCOCK.
