Pinnacle High School Junior-Senior Banquet

On Wednesday evening at 8:00 o'clock the Junior class of Pinnacle High School entertained in honor of the Senior class with a lovely banquet at the Pinnacle banquet hall. The guests assembled in the left wing of the building and were led into the banquet hall by the president of the Junior class, Miss Lucy Ellen Denny.

The hall was artistically decorated to represent a sunken garden. A graceful arch framed the entrance and roses were entwined upon trellis around the walls. Stately pines and rhododendron lent an air of charm to the setting. On the left was a miniature pool graced by overhanging limbs, moss, and ferns. Settees and garden chairs were arranged to give a cozy appearance to the dimly illuminated room. The tables were arranged in a T shape with white candles and flower bowls in the center. On the toastmaster's table was a lovely candelabra and a bowl of spring flowers.

The guests and members of the class found their places by means of cards attached to blue and white mint cups. The guests were served a delicious four course dinner which included fruit- cocktail, chicken a la king, creamed potatoes, stringed beans, hot rolls, glazed apple salad, peach short cake, coffee and mints.

A 100-per cent. boy is one of the most interesting details as well as America's most valuable asset. For such boys grow into men, and men build empires.

Show me a boy who robs bird-nests, raids watermelon patches, knocks out window panes, shoots every pigeon, torments cats, fights, whistles, ties tin cans to dog's tails, and then when you go to skin him, tells you the truth about it, and I will show you a boy who may become President some day.
