MOUNTAIN LODGE AND CLUB HOUSE

RECREATIONAL CENTER PROPOSED FOR DANBURY WITH FINANCIAL ASSISTANCE FROM WPA — BEAUTIFUL HILL SOUTH OF TOWN SUGGESTED FOR SITE — FINE SCENIC ADVANTAGES — SUPERB SANITARY LOCATION — CLUB TO BE A COUNTY-WIDE SOCIAL CENTER — COST ESTIMATED AT \$6,000 TO \$8,000.

Several Danbury citizens are agitating the establishment of a county-wide club and recreational center, to be built by WPA financial assistance at a cost of \$6,000 to \$8,000.

A tentative site selected for the club house is the high hill just south of Danbury, with beautiful scenic advantages, superb sanitary location and overlooking Danbury and the adjacent mountain section.

The building, a sketch of which is at the Reporter office for inspection, will be of rustic type, and will be constructed in colonial style, but having all the modern improvements. It will be of a maltese cross design adapted to log construction, two stories in height, and containing 6 or 8 bedrooms with a hall on the first floor 32x80 feet, for lectures, dancing, banquets and gatherings. There is a buffet grill also on the first floor. Centrally located in the large hall is a huge stone fireplace. Steam heat and air conditioning is planned.

The second floor will have a large lounge room, baths and bedrooms. There will be porches on both floors, also a sun parlor on the first floor.

Everybody agrees that Danbury and Stokes county have long badly needed a social and recreational center. The proposed project will be in the nature of a social welfare club.

The arguments maintained for the undertaking are that it will provide a lodge open at all times for the accommodation of visitors, a gathering place for any social event, and a place where any citizen may repair at will for amusement, entertainment, food or lodging. It is claimed by its promoters that it will afford better influences for young people by taking them away from places of unwholesome influences such as are so common these days, and will tend to greater refinement and culture.

It is proposed to erect the building on leased ground at a cost of from \$6,000 to \$8,000. There will be a road and parking grounds, as a considerable area of the proposed ground is level. The project will be financed by a WPA loan, to be liquidated through membership dues and the earnings of the club.

TOBACCO STARTS AT GOOD FIGURES

PRICES RANGING AROUND \$25 TO \$28 — AVERAGES ON THE DIFFERENT MARKETS — FARMERS GENERALLY PLEASED.

The tobacco markets of the old bright belt opened Monday with heavy sales at most places, and prices ranging from \$25 to 28. Trash lugs are not being bought by the companies, the warehouses giving 1 cent a pound.

According to the Associated Press, averages at various markets were listed as follows:

Winston-Salem, 1,363,910 lbs., at average of \$22.49.

Mt. Airy, 700,000 pounds at average of \$27.50.

Roxboro, 500,000 pounds at average of \$24.50.

Stoneville, 160,000 pounds at average of \$25.50.

Burlington, 100,000 pounds at average of \$27.

Madison, 175,000 pounds at average of \$24.00.

Mebane, 250,000 pounds at average of \$25.60.

Danville, 1,464,953 pounds at average of \$26.89.

Farmers generally are well pleased with the prices being paid at some of the markets.
