THE BIG RALLY SATURDAY EVE

DEMOCRATS EXPECTING TWO THOUSAND GUESTS AT THE STEW — THE LAST JAMBOREE OF THE CAMPAIGN TO BE PULLED AT THE TAYLOR CLUB HOUSE, NEAR DANBURY — BRASS BAND AND PETE MURPHY AND RADIO ADDRESS OF PRESIDENT ROOSEVELT.

The Stokes county Democratic campaign will close with feast and fanfare on a huge scale Saturday evening and night at the Paul Taylor club house a mile west of Danbury. Several fat beeves, many coops of fowl, many crates of cabbage, cartons of knick-knacks, and all that toothsome stuff, are even now in the pots. A brass band of 35 pieces from Winston-Salem will dispense music. The Hon. Pete Murphy will speak in his own inimitable style.

The largest crowd of hungry Democrats ever assembled in the county is expected to gather, coming as early as 3 o'clock in the afternoon when the festivities start. The occasion will expand itself into the night, even into the wee hours of the morning.

The affair is given under the auspices of the county Democratic executive committee. At night President Roosevelt will deliver his last address of the campaign at Madison Square Garden, New York city. This address will be listened to by the big throng over a Philco radio which will be installed at the club grounds by Ed Taylor, Philco agent.

Besides county Democrats, a large number of visitors from adjoining counties are expected.

IMPORTANT PRECAUTIONS FOR THE FARMERS TO OBSERVE — THE ASSISTANT COUNTY AGENT GIVES INSTRUCTIONS TO FARMERS.

Practically all of the farms that were covered by work sheets have been checked by local supervisors for compliance. There may be a few scattered farms that have not been checked, however. Nearly all of the maps and reports that were turned in by local supervisors have been checked in the office and the necessary forms are being filled out as rapidly as possible. It has been found from these reports that a large number of the farmers have not earned all of their soil building allowance for their farms by carrying out certain approved practices. The supervisors at the time of checking the farms reported all practices that had been carried out since the farms were out up to that time.

Any practices that have been checked for compliance should be reported by the farmer as early as possible so that he may be given credit for them. In reporting these practices send to the County Agent's office a statement of just what has been done; for example, turning cow peas, lespedeza, or any of the other practices and have some disinterested cooperating farmer to sign the statement with you. This will eliminate the necessity of sending a supervisor back to check the farm again.

According to the rules of the Soil Conservation Act, all of the approved practices should be carried out by October 31, as this is the final limit for which credit can be given.

All farmers who have had terraces built between March 1 and October 31 will be given credit toward earning their soil building allowance.

Terracing Work

The terracing unit is working at present in the Ross-Stone Community, but it is planned now to move the machine to the Dillard Community in Beaver Island Township within the next few days. If any of the farmers in that section, who have not already stated that they want terracing work done, will report to the County Agent's office or to the crew in charge, they will be served as early as possible. A number of farmers in that section have cooperated with the C. C. C. Camp at Madison which is rendering a valuable service. If you are interested in cooperation with the C. C. C. Camp, we will be glad to help you in any way.

Rabbits and Partridges

The rabbit and quail law will open in Stokes county on the 20th of November and close on Feb. 1st, 1937.

FRANK STEVENS SHOT IN BACK

EARLY MONDAY MORNING BRAWL GETS ONE IN HOSPITAL, ANOTHER IN JAIL — ZEB SMITH INVOLVED IN AFFAIR.

About 4 o'clock A. M., Monday, Frank Stevens, son of Buck Stevens, was shot in the back by Melvin Bullen. The weapon used was a shotgun and Stevens, who was well perforated, is now in a hospital, while another Stevens brother of Frank, also with several shot in his system, is in jail here. Zeb Smith, of Roanoke, was involved in the shooting, made his escape to Virginia.

The affair occurred at the home of Melvin Bullen, on the Taylor plantation, a few miles east of Danbury.

The arrests were made by Sheriff Taylor and Deputy Sheriffs A. G. Sisk and Bert Smith.

The report of the affair indicates that the two Stevens boys and Zeb Smith, all drinking, met at Bullen's home, and that Bullen arose from his bed and made coffee for them. A quarrel followed, with the above result. Prior to meeting at Bullen's the trio had been at the filling station of Mallard Woods at Danbury.

It is not considered that the wounds of Frank Tilley are serious.

TO HEAR NEWS ELECTION NIGHT

LARGE CROWD EXPECTED IN DANBURY — RADIO AND AMPLIFIERS TO DISPENSE STATE AND NATIONAL NEWS — COUNTY RETURNS ALSO TO BE ANNOUNCED OVER LOUD SPEAKERS.

A great crowd of Democrats and Republicans will gather in Danbury next Tuesday night to hear the election news, national, state and county.

As the court house is now equipped with electric light, it is planned that the main auditorium will be used where the crowd may be seated in comfort. News of the national election will begin coming in as early as six o'clock, and a radio will be installed for the reception of these returns, while loud speakers will announce results so that the crowd in the streets may be kept posted on national, state and county election figures.

There will be plenty of officers on hand to keep order.

The cafes, filling stations and refreshment stands will stay open practically all night to serve the visitors, who are expected in large numbers.

Stokes county has a new 9-lb. game warden. The experience of being called "papa" is tickling Charley Martin to death. Mrs. Martin is getting along fine at a Winston-Salem hospital.

Winston-Salem Tobacco Market

The Winston-Salem Tobacco Market reports sales for the week ending Friday, Oct. 23 as follows. 3,833,808 pounds for \$722,938.23 averaging \$18.86 per hundred. Sales for the season total 13,157,324 pounds for \$2,497,166.83 an average of \$18.98 per hundred.

Sales for the past week were very satisfactory. Although the offerings were generally only fair to poor in quality, good tobaccos were outstanding in the attention of tobaccoists, and prices for these quality tobaccos were advanced higher than at any time this season.

Many growers who visited our market the earlier part of the week for the first time this season, expressed great satisfaction at prices paid for quality tobaccos, and observed that quality tobaccos are higher in Winston-Salem.

The Winston-Salem market has steadily advanced in prices paid during the past week, and market operators expect this advance to continue as more and more growers realize the demand for quality tobaccos on this market.

All sales floors were cleared at an early hour Friday, and with the ten big warehouses guaranteeing a sale in eight warehouses every selling day of the season, growers find that congestion on the Winston-Salem market is rapidly becoming a thing of the past.

Capacity sales are expected Monday.

Yours truly,
J. H. BOOTH,
Sales Supervisor.

OLD RIVALS MEET AGAIN

FIRST GAME OF SEASON — DANBURY SCORES IN 3RD QUARTER, COVE IN 4TH — SCORE 6-6 — TO PLAY AGAIN SUNDAY.

Danbury and Walnut Cove, rivals of long-standing, met on the local field Sunday before approximately 100 spectators, to play their first tag-football game of the season. The local football field is the McCannless meadow just behind the McCannless hotel, on which is an abundant growth of soft grass; which, of course, came in plenty handy since this was a new sport to practically all the participants of both sides.

The teams were evenly matched; the first half of the game being scoreless. In the 3rd quarter Joyce, Danbury halfback, caught a pass thrown by Martin and ran 20 yards to score the first touchdown of the afternoon.

An attempt to pass for the extra point failed. In the 4th quarter "Doc" Furches, Walnut Cove captain, passed the "old pigskin" over the goal line to Dunlap, who nabbed the ball for a touchdown. Failing to make the extra point, the score remained 6 and 6 the remainder of the game.

Players of both sides are to be complimented on the clean sportsmanship which they displayed throughout the entire game.

Although most of the boys were very stiff Monday morning from the Sunday game, they will meet here again Sunday. Kick-off at 3 P. M. Don't miss it. — Reported.
