Replies To W.
Riley Boles

Editor Danbury Reporter:

Relative to and in reply to article of W. Riley Boles in this week's Stokes Record, stating that he had long been interested in governmental affairs and his keen interest in his county's spending. Would like for voters to know that his "misinformation" on certain spendings shows a "rare lack" of interest and knowledge, especially concerning expenses of the County Agent's office inasmuch as not a single cent of county funds is paid for clerk hire or travel in that office, as all money for that work is paid by AAA funds.
