## 157 SUNDAYS AT SUNDAY SCHOOL

### REMARKABLE RECORD OF GILBERT WHITE AT KING—MR. AND MRS. SNIDER CELEBRATE GOLDEN WEDDING—SERIOUS INJURY TO BOY—OTHER KING NEWS.

King, Jan. 13. — Gilbert White, son of Mr. and Mrs. R. C. White, who attends Sunday school at the First Baptist church, states that he has attended for the last 157 Sundays without missing a single Sunday. This is a record to be proud of.

Bratt McKinney, of Quaker Gap, who underwent a tonsil operation in the Stone-Helsabeck clinic last week, is getting along nicely.

A pipe line has been laid from the creek in north side near the home of L. A. Rutledge to the new highway being constructed through King. An engine will be placed at the creek and water will be pumped along the highway to be used in mixing concrete. The pouring of cement will be commenced just as soon as the weather will permit.

Miss Ethel Kirby, of Winston-Salem, spent the week-end with relatives and friends here.

D. P. Bodenhamer, planter of the Pinnacle section, was here Saturday on business.

Mr. and Mrs. David S. Snider celebrated their golden wedding anniversary at their home three miles south of town Saturday. A number of relatives and friends were present to enjoy the occasion.

L. S. Grabs is right sick at his home in North Side, his friends will regret to learn.

Miss Cora Boles has returned to her home after having a short visit to her sister, Mrs. P. J. Caudle in Bon Air, Winston-Salem.

The new home of Alvin White, just south of town, is nearing completion.

Dr. and Mrs. Rupert S. Heisabeck have returned from Richmond, Virginia, where they spent several days with relatives.

George Vaughn is reported to be quite sick at his home two miles south of town.

The following births were registered here last week: To Mr. and Mrs. Coy Ashburn, a son; to Mr. and Mrs. Ernest Dunn, a daughter; to Mr. and Mrs. Claud Stewart, a son; to Mr. and Mrs. Woodrow Pulliam, a son.

C. D. Slate, Jr., proprietor of the Slate Feed Store, made a business trip to Winston-Salem Saturday.

King, Jan. 13. — A little girl aged 4 and boy, aged 5, children of Mr. and Mrs. Curtis Watts, who resides three miles north of town, while at play at the home Saturday afternoon got hold of

## Farmers Are Signing Applications — Sears Gives Farm News

Farmers are signing the applications for the payments they have earned under the Soil Conservation Program. Meetings have been held in each of the nine townships to make it convenient for the farmers and their tenants to sign. The majority have already signed. Up to date we have completed and sent to the state office some over 900 applications which leaves about 500 more to be completed. These will be completed and sent in just as the farmers and their tenants will sign them.

The payments that have been earned by the farmers of this county will amount to a large sum of money and will come in at a time when it is most needed.

### 1937 PROGRAM

As yet we do not have very much detailed information on the 1937 program. Just as soon as we get this information, we will pass it on to the farmers of this county through the papers and local meetings.

### FARMERS ARE CLEANING TOBACCO SEED

A number of farmers have brought their tobacco seed to the office to be cleaned with the new tobacco seed cleaner. They have been highly pleased with the work.

T. H. SEARS,  
Asst. Co. Agt.

## Tobacco Market Reopens Next Tuesday

The tobacco markets will reopen next Tuesday, Jan. 19, after being closed for several weeks covering the Christmas holidays.

It is stated there is quite a considerable amount of tobacco still in the country, though it is doubtless of a more or less inferior quality. Practically all of the better grades have been sold.

### FAVORITE RECIPES

What is your favorite recipe? Win prizes in the recipe contest conducted by the Baltimore Sunday American. You'll find the Baltimore American on sale at all newsstands.

an axe which Mr. Watts had recently sharpened and in some way the boy received a severe and what came near being a fatal wound, part of his ear was severed and an ugly gash cut in his throat near the jugular vein. Thirteen stitches were required to sew up the wound.

Rev. Franklin Boles, of Germantown, delivered a very interesting and instructive sermon at the Baptist Mission on west Main street Sunday morning at eleven.

Oliver Thomas, of High Point, spent Sunday here the guest of his parents, Mr. and Mrs. George Thomas in West View.

## STOKES HARD HIT BY 1936 DROUTH

NOT SINCE 1930 HAS INCOME OF FARMERS BEEN SO SMALL — MUCH AID FROM GOVERNMENT WILL BE NEEDED IN YEAR 1937.

Not since the terribly disastrous year of 1930 when a crop failure coupled with the incoming ravages of the depression ruined hundreds of farmers as well as business men, has the income of Stokes farmers been so hard hit as in 1936.

While here and there a few farmers made good crops of tobacco in 1936, the majority of the growers experienced sorry crops. Corn and other feed crops likewise suffered seriously.

The farmers of Stokes will need extensive help from the federal agencies of relief this year if they make their crops. Many tenant farmers are now on a relief basis, and will be in serious need of food and clothing.

## Pleasant Surprise Coming

Quite a large number of Senator Sparger's and Representative Scott's friends at Danbury and Walnut Cove are contemplating visiting them at Raleigh soon, and being their guests. The legislature is now in session and many of us are desirous of looking in on the law-makers, as well as seeing other interesting sights around the State capital.

The affair is being kept quiet, as the visit of us "constituents" is planned to be in the nature of a delightful surprise to our representatives. It is expected that one of Raleigh's hotels will be headquarters for our crowd, preferably the Sir Walter, as that is a real good hotel, and they prepare excellent beefsteaks there.

While we do not anticipate a very long stay in Raleigh, possibly not more than two or three days, we have no doubt our representatives will insist on the crowd remaining a week. Personally for our part, we will confess that we are not proof against cordial welcome and hospitality, and insistence to stay.

Of course we will all be in the hands of our representatives.

At this writing it is regretted that several of the boys find they will not be able to go this time, and our crowd will probably not number over 25, though some others may decide to go.

## Squirrel Law Now In Force

The squirrel law came into force again Dec. 15, 1936. Warden C. H. Martin says those hunting squirrels now will be indicted.

## ANTI-LIQUOR BILL INTRODUCED

BONE DRY MEASURE IS REFERRED TO COMMITTEE — ANTI-KIDNAPING BILL ALSO COMES FORWARD — GENERAL ASSEMBLY NOW GETTING DOWN TO SERIOUS WORK

A bill was introduced in the house Wednesday to prohibit the manufacture or sale of liquor in the State. It was referred to judiciary committee No. 1.

Senator Abernathy, of Caldwell, also introduced a bill to make kidnaping a capital crime in North Carolina.

The General Assembly is now getting down to serious business, and from now on the law-makers will be deeply involved in the various measures in the interest of schools, roads, revenues, etc.

## Death of Mrs. Lucy Smith, Of Lawsonville

Mrs. Lucy Smith, of Lawsonville, died at the Baptist hospital in Winston-Salem Monday after an illness of about a week with septicaemia or blood poisoning.

Mrs. Smith, who was aged 76 years, was the mother of Messrs. Weldon W. Smith of Lawsonville and L. Ed Smith of Pinnacle. She had no other living children. She was the widow of the late Geo. Smith of Lawsonville.

Mrs. Smith was a most highly respected and influential lady of her section of the county.

The interment was at Snow Creek cemetery at Lawsonville, the funeral being preached by Elder J. Watt Tuttle of the Primitive Baptist church.

Burial in charge of Nelson Funeral Association.

## King P. T. A.

The King P. T. A. held its regular meeting Tuesday, Jan. 12, 1937 at 7:30 in the school auditorium. The meeting was postponed due to the death of Mr. Sim Pulliam, chairman of the local school committee.

The following program was given:

Devotional, Mr. Robert Barr. Reading, Mrs. Roscoe Ferguson.

Duet, Two high school girls.

After the program the business session followed with the President, C. R. Carrol presiding. Mr. O. L. Raines was chosen by the Association as treasurer.

A social hour, following the adjournment of the association, was a most enjoyable part of the evening meeting. Games, contests, and songs were a special feature. Delicious sugar cake and coffee were served to those present.

## Martinsville To Lift Quarantine Saturday

Martinsville, Va., Jan. 13. — Martinsville's self-imposed quarantine, due to recent spinal meningitis outbreak, in effect since January 7, will be lifted Saturday at noon, city council conferring with local physicians today decided, provided no new cases develop. No cases have been discovered since quarantine became effective.

Local theatres reopened tonight in defiance to city ordinance covering the quarantine, resulting in court summons being issued to their managers. Trial was set for Thursday morning in city court.

## Through the Microscope

### Diphtheria is Preventable

Would you allow your child to run out in front of a speeding automobile? Do you like to have him play in a street crowded with traffic? Of course not. YET you may be allowing him to run an even greater risk.

Diphtheria is an ever-present menace to the life and health of a child. An average of twenty-two children died every day from diphtheria in the United States during 1928. Many who live through diphtheria are crippled for life with injured hearts or paralysis.

Even when the symptoms are light, the poison may be working swiftly and relentlessly, therefore PROMPT action is necessary to save a life.

Your child has a right to protection from diphtheria. It has become a disease of neglected children.

Little children are most defenceless against this dreaded disease. Those under five years are in the worst danger zone.

Children need not have diphtheria. It can be prevented by a simple, harmless immunization treatment with toxin-antitoxin or toxoid. Do not wait until your child goes to school. The babies and little children need this protection even more than the children going to school. The best time to have the doctor attend to this is when the baby is between six months and one year of age.

Watch carefully all signs of sore throat and croup. These may be symptoms of diphtheria. Do not take chances. CALL THE DOCTOR AND CALL HIM PROMPTLY.

Never let a child sick with diphtheria get up or sit up until the doctor gives his permission, even when he is recovering from a mild attack. A heart weakened for life may be the result of failure to keep the child in bed long enough. Likewise, a life may be the result of failure to give the child Toxoid or Anti-toxin. One prevents, the other cures.

## PASSING OF MRS. MINNIE G. WILLIAMS

SHE DIED IN CHARLOTTE WITH PNEUMONIA, AFTER A FEW DAYS ILLNESS — MRS. WILLIAMS WAS FORMERLY CHIEF OF THE FERA IN STOKES COUNTY.

Mrs. Minnie G. Williams, who was formerly Mrs. Minnie Glidewell Doyle, died in a Charlotte hospital Saturday, after a few days illness with pneumonia. She had greatly improved, but succumbed to a weak heart after the ravages of the disease, her passing being quite sudden.

Mrs. Williams had been a resident of Charlotte for more than a year. She was formerly head of the FERA organization in Stokes county, with office at Danbury, while she lived at Walnut Cove in 1933 and 1934.

Mrs. Williams' death came as a great shock to her many friends in the county, especially at Walnut Cove and Danbury.

During the administration of the FERA in the county, she was a very capable official and she gave to the important relief work her most sincere and energetic efforts. Her service was highly commended by the State administration of the FERA.

Mrs. Doyle was most loyal and sincere to her friends. She inherited to a high degree the strong personality and administrative ability of her father, the late Rev. C. W. Glidewell.

Last rites for Mrs. Williams were held Sunday afternoon at 2:30 o'clock at the home of P. W. Glidewell, brother of the deceased at Reidsville.

Interment was in Leaksville cemetery. Rev. M. S. Huske was in charge of the services.

She is survived by her husband, Herbert E. Williams, of Charlotte, her daughter, Mrs. Chester Herring, of Mt. Airy; two sons, Joe Doyle and Powell Doyle, of Charlotte, two brothers, John Glidewell of Greensboro, and P. W. Glidewell, of Reidsville; and three sisters, Mrs. F. P. Neman, of Leaksville; Mrs. W. H. Highfill, of Roanoke, Va., and Miss Lona Glidewell, of Raleigh.

Pall bearers were N. E. Winstead, Francis Kemp, J. B. Harris, Claude Scurry, E. W. Ricketts, Allen H. Gwyn.

Flower bearers were Will Dalton, Ira Humphreys, E. H. Wrenn, Dr. M. P. Cummings and Sam Gibbs.

## Unprecedented Rain

It has been now raining practically every day for 35 days, having begun about the 10th of December.

One or two fair days, or partly fair days have been the exception.

This spell has all our weather prophets and our oldest citizens beat to a frazzle.
