Mr. Editor:

Please allow me space in your paper for a few words to my home friends.

I have been in the nineteenth Company Depot Brigade ever since Dec. 23, 1917, until Feb. 9, 1918, and I was transferred and corps artillery park, and I like I am now in Company 1, first down here fine excepting being away from my wife and the rest of my people at home.

The weather is warm down here most all the time and there is plenty of amusement for the boys such as baseball, basketball, picture shows, theatre and My job isn't so bad. I am cooking now and have been most ever since I got here. I only have to work every other day, and those other days I can go where I please. So boys if you want a good job look out for a cook. I guess lots of the boys here are leaving for France, but the quicker we lick the Kaiser

the better. So don't mind it boys. I will close asking God to help us all, especially my dear little wife.

Yours as ever,

Obituary

James Doyle Sisk was born May 18, 1913, died Sept. 21, 1936.

He was married to Bessie Bullin in 1931. To this union was born one little girl. He leaves to mourn his loss a loving mother, his wife, one little girl, two sisters, one brother, Mrs. Jay Tucker, Mrs. Elma Shelton, of Lawsonville, Mr. Hassel Sisk, of High Point, besides a host of relatives and friends. Doyle was carried to Mt. Airy hospital. All was done for him that could be done but the Lord loved him best. He bore his affliction with much patience and prayed many prayers. Doyle was a loving child, a kind husband and father, and a good neighbor. He will be greatly missed in his vicinity. His funeral was preached at the home place by Elder Noel Gilbert and he was laid to rest in the family plot where his father and brother are sleeping to await the resurrection morn, when we will all be judged according to our deeds. We do miss him so much. A place is vacant in his home that never can be filled. We feel our loss is his eternal gain.

How to EASE a COLD FOR 15¢

TWO SIMPLE RULES
INSTEAD of buying costly medicines to relieve the discomforts of a cold, try the way almost any doctor you ask will approve as the modern way—genuine BAYER ASPIRIN. It now costs only 15¢ for a dozen tablets, or two full dozen for a quarter.
The way you use it is this: Two BAYER tablets the moment you feel a cold coming on, taken with a full glass of water. Repeat, if necessary, according to directions in package. If at the same time, throat is sore, gargle with three Bayer tablets in 1/2 glass water for almost instant relief. Bayer Aspirin acts to fight fever, and the aches and pains of a cold. Relief comes quickly. Ask your druggist for genuine BAYER ASPIRIN by its full name—not the name "aspirin" alone.

That is an interesting rumor that Scotland is drifting closer to Ireland and America. Believing the jokesters, Scotland is close enough. —Rochester Democrat-Chronicle.

GUARD YOUR BABY WITH MENNEN'S OIL RUB

Mother—heed the urgent advice of doctors and hospitals; do as they do; give your baby a daily body-rub with the anti-septic oil that chases away germs, and keeps the skin SAFE. (That means Mennen Antiseptic Oil. It's used by nearly all maternity hospitals. It gets down into skin-folds—and prevents infection, chafing, chapping and roughness. Get a bottle today. At any druggist.)
