Kaleidoscope Quilt; Attractive Bed Nook

DO YOU know the Kaleidoscope quilt pattern? A block is shown here. It is put together so that from every angle it makes a different design. One of these fascinating quilts made in two tones of blue and white started all the sewing and sawing for the attractive bed nook you see in the sketch. The bed and woodwork are

painted white. The built-in closets and book shelves at each side of the bed are connected with a scalloped cornice of thin wood. Widths of blue gingham are stitched together for the full curtain.

NOTE--Mrs. Spears has prepared a pattern for the Kaleidoscope quilt (No. 209) and for the cornice scallops (No. 207) to be cut with a key hole or jig saw. Patterns are 15 cents each and may be ordered direct from:

MRS. RUTH WYETH SPEARS
Bedford Hills New York
Drawer 10

Enclose 15 cents for each pattern ordered.
