Things to do

HERE'S a fascinator crocheted in wool for fall that has a "different look." A cluster of roses atop your pompadour gives a "finished," calot-like effect. A double shell stitch edging ripples round your face. The pattern stitch is finished quick as can be.

Pattern No. 7623 contains instructions for fascinator; stitches; list of materials. Due to an unusually large demand and current war conditions, slightly more time is required in filling orders for a few of the most popular pattern numbers.

For this pattern send your order to:
Sewing Circle Needlecraft Dept.
664 W. Randolph St. Chicago 26, Ill.
Enclose 15 cents (plus one cent to cover cost of mailing) for Pattern No.
