Medicine is the term by which Ayer's Sarsaparilla is best known, to distinguish it from all similar preparations. It is SUPERIOR, because it has for its base the true Honduras Sarsaparilla root, the variety richest in medicinal properties. It is SUPERIOR, because the Yellow Dock-another of the ingredients is raised expressly for us, and we know what it is. It is SUPERIOR, because all the other articles comprising this preparation are the choicest of their kind, and because they are known to have a specific value in the treatment of diseases originating in impure blood. It is SUPERIOR, because a dose of the same measure may be relied upon to always produce the same effect. It is SUPERIOR in combination, SUPERIOR in proportion, SUPERIOR in appearance, and SUPERIOR in all that goes to strengthen and build up the system, weakened by disease and pain. It purifies, enriches, and vitalizes the blood; it cures Scrofula, Scrofulous Humors, Catarrh, Rheumatism, Dyspepsia, Liver and Kidney Diseases. If you need a blood
