"Look at that shoe mark!" he exclaim-

Then the party scanned the marks close- lookout, Then the men looked at each other

her. He unchased her arms gently after an instant and mounted the horse, and turning in the saddle varied his hand to her. Then they rule away, and after

Rines party returned was bended and tied hand and foot, a veral of the men when she had at labour one greather

A PLUCKY WIFE.

Sage Bar was excited. Six horses were missing from Bill Hines' drove, were missing from Bill had reported to the cauth for the properties of the properties of

his loss at the bar a party had found the trail and ridden off toward the southwest. Presently, as they were crossing a wet bit of land in a hollow, Bill, who led the party, looked sharply at the host prints sunk deep in the soil and many the men could not but admire the prints sunk deep in the soil and many the men could not but admire the purch looked sharply at the host prints sunk deep in the soil and many the men could not but admire the purch looked sharply at the host prints sunk deep in the soil and many the men could not but admire the purch and skill. Then they argued the storm will think the prints of the storm will think the storm will the storm will think the storm will be storm w should grant the casterner's hoss should grant the cashin and then sait up and talked the stant's scratiny of the hoofprints among which were several larger than the rest and showing the clear impress of a should the stant's scratiny of the hoofprints among which were several larger than the rest and showing the clear impress of a should the stant's scratiny of the hoofprints among which were several larger than the rest and showing the clear impress of a should be useless to attempt to trail Craig in the dark, and, to tell the truth, they were such as the stant of the stant is the said that the woman would be useless to attempt to trail Craig in the dark, and, to tell the truth, they were such as the stant of the stant is the cashin and then a stant is the cashin and the cashin and the cashin and then a stant is the cashin and the cashin and the cashin and then a stant is the cashin and then a stant is the cashin and then as the stant is the cashin and then a stant is the cashin and then as the cashin and the cash

angrily.

"Yer wanted down for the Borr" Sam repeated. "For hose steading," he added.

Craig's face was allorse in the instant.

He sprang from his sent, throwing back his hand to his hig. But the others had him covered, and his hand dropped.

bound to his sides, his horse led by Craig tann music hall ditty entitled, "I Like a Little Tobile Down Regent Street"—not by Handel.

He had failed to secure the object of trail of the herses, and following it had his quest and so, imagining that words a shot from his rille, and there are back.

stant they were uthered.

But he unlocked the cabin door for her and locked it behind her again.
Then he stood outside the door cursing himself. Presently there was a rap from

he did not hesitate. As he threw up his hands the door was pulled open from the inside, and a man dashed out and melted in the darkness of the prairie. A manner of the darkness of the prairie. A manner

as to what they should do with her, and finally decided to take her into town as finally decided to take her into town as To a young brother tales he loves to hear,

When morning came, a big party set off in pursuit of Cruig. But they had cided stud clearly defined notions of her own, whose home is on the Vertical Then the men looked at each other with ngly frowns.

"Well?" said Bill tentatively at last. No one answered for a moment. Then Sam remarked: "It looks bad for thereasterner, sure? Th' hain't any one got hoss shees like them in th' district 'cept him. In sorry'? th' feller's put his head in a rope's end, boys. Butwell have ter foller him up. Who'll go back?"

A couple of the party volunteered. The men separate 1. Part of them moved forward on the trail. The others turned their borses at right angles to the former line of march and loped on toward the easterner's cathin.

The casterner, otherwise Jack Craig, of whom they had been speaking, had been a readerfoot, out and out. When he time, Ific was a tenderfoot, out and out. When he came to the Ear be brought his wife with him. She was a bright, pretty

been in Sage Bar only a short time. He was a tenderfoot, out and out. When he came to the Bar he brought his wife with him. She was a bright, pretty little woman, but they handly knew her in the settlement. Craig always had been reserved, and the two had kept by themselves in the Bitle cabin which stood a nule or more away from town. So Sage Bar had come to consider the pair a "queer lot," and to designate them as "th' casterner as his wife," which was intended to be anything but complimentary.

When the trailing party reined up in front of Craigs cabin, they found the object of their sourch stiting on a log before the distributed with mud, it was evident that he had just returned from riding. The party exchanged gamees of understanding.

Sam Pike came to the point of occ. "Craig," he said, "yer wanted down ter the Bar?" Sam recognic. "For he settlement, which still some the mand the casterner as being the pairt of the paint of occ. "Craig," he said, "yer wanted down ter the Bar?" Sam recognic. "The casterner he was placed and because of the men and the cabin party reined up in front of Craigs cabin, they found the object of their sore a well from riding. The party exchanged gamees of understanding.

Sam Pike came to the point of occ. "Craig," he said, "yer wanted down ter the far?"

What's that's that's demanded the casterner as bound to his sides, his horse led by Craig, "I the men as the casterner as th
