Mountain King, the mightiest of trolls. Then troll and castle disappeared, and Then troll and castle disappeared, and Then troll and castle disappeared and Then troll and castle disappeared and Then troll and castle disappeared and the transmeshe Then troll and castle disappeared, and Hans was left alone with the treasures he had so faithfully earned. Bird Dan was quickly summoned, and he bore Hans, with the treasures and the ready helpers, to the place where they could be most useful.--Exchange, reclamation of waste land, and some authorities will probably utilize the

The Bising Generation. "It keeps one so busy making a liv-ing," said a man of family, "that I don't should to the forms of speech, but I think that my children more than make up for anything that I lack in this re-spect, and I wish they wouldn't insist as they do upon my conforming in this matter to what they call the mages of polite societ. The latest phase of this subject occurred last evening at dinner. My wife looked across the table at me and said: men's labor in that manner.

My wife looked across the table at me and said: "Not doantchoo,' you understand, but 'don't you,' with the don't and the you pronounced separately and distinctly. Not being prepared for this, it made me laugh, but my eldest daughter frowned, and when my eldest daughter frowns I don't laugh, so I said 'yes' and stopped laughing, 'Ye been accustomed all my life to saying 'doautchoo' for dau't you, and

"Two been accustomed an hyper of the second a fracture of the skull. It is a question saying 'doantchoo' for dan't you, and a fracture of the skull. It is a question 'chiall' for at all, and things like that, of whether he can recover, and the host saying centrall' for at all, and things like that, but the children tell me that nobody talks that way nowadays, and so I sup There exists a super station, There exists a super station in the station of whether the super station is locked Michael Vester, 21 years old, is locked Super station,

This that way how any s, and so I say pose I have got to give it up. "They had before insisted that 1 should have my clothes stylishly cut and with the tronsers sharply creased; the the transmission of the and with the trousers sharply creased; that I should wear stylish hats and fashionable shoes, and now they insist that I shull speak correctly. Take it all together, I think they are making life yeard when a dispute arcse between them, pretty hard for their poor old father. Still they're more children, and I suppose I'll have to try to heep up with the pro-pretor "-New York Sun. Both men were using sickles, and sudden-ly they assaulted each other with the

> The attack came first from Vester, it is said, and he soon succeeded in render-ing his opponent hors de combat with his weapon of peace. The cemetery potain Lask, with Officer Bachrus, hurried to the assistance of the wounded man. Redmond was taken care of until the arrival of the ambulance, and then he was removed to the hospital. His assailant was arrested and taken around to -the Eighteenth precinct police station. He was reticent concerning the cause of the quarrel and said he was not responsible for the fight,-Brooklyn Eagle.

Great Lumps of Light.

Those who were at the bicyclers' rest on the Playstead during a part of last evening witnessed a most peculiar and beantiful sight. A huge decayed tree had succumised to the gale, and suddenly at its uprooting and fracture the ground all around it blazed up in luminous phosphorescent light. The trees and shrubbery all about were filled with gemlike shining particles of the flying phos-
