The towns of Albay and Legaspi are surrounded by 1,200 Filipinos, and the Forty-seventh Regiment has had 8 men killed and 20 wounded in repelling attacks. General Bates had 7 men killed and 10 wounded in an expedition to the Provinces of North and South Camarines. This does not indicate a "reign of peace" in the Philippines, and if the Administration is laboring under any such delusion it is plain that the Filipinos are not. They are waging war to the best of their ability.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its won-derful cures of the most distressing cases, If you need a medicine you should have the best.
