Those predisposed to Scroftla, Cancer, Rheumatism, Gout and other hereditary troubles may escape in them, but as they age the blood, so long tainted and weakened by accumulated waste matters, is no longer able to properly nourish the body, and it becomes an easy mark for disease. At this critical period of life the blood must be re-enforced before it, can perform its legitimate functions and rid the system of these poisons, and nothing so surely and effectually does this as S. S. S. S. S. S. strengthens and enriches the blood, improves the appetite, and builds up the general constitu-tion. It is not only the best blood purifier, but the best tonic for old people. It warms the blood, tones up the nerves, removes all taint from the blood and prevents the development of disease. S. S. S. is the only purely vegetable blood medicine known. Not one particle of mercury, potash or other material poison can be found in it, and it may be taken for any length of time without harm. S. S.
