

It Always Helps
says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardul, the woman's tonic. She says further: "Before I began to use Cardul, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardul, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill.

I wish every suffering woman would give

The Woman's Tonic

a trial. I still use Cardui when I feel a little bad, and it always does me good."

Headache, backache, side ache, nervousness, tired, worn-out feelings, etc., are sure signs of woman's trouble. Signs that you need Cardui, the woman's tonic. You cannot make a mistake in trying Cardui for your trouble. It has been helping weak, ailing women for more than fifty years.
