ACCIDENT WAS UNAVOIDABLE

So Declares the Fire Department Committee of the Board of Aldermen After Investigation of the Collision of Over a Month Ago.

The fire department committee of the Board of Aldermen, consisting of Mayor Wright and Aldermen Benson and Morrill, yesterday afternoon, commencing at 5:30 o'clock, made due investigation into the cause of the collision of the truck of Hook and Ladd Company No. 1, and the reserve reel, which happened the afternoon of the 7th of last month and which resulted in several firemen being severely hurt and the apparatus badly damaged.

After making most careful inquiry the committee decided that the accident was unavoidable, which decision exonerated Driver Hewlett, the truck, and Driver Calvin Bell, of the reel, from blame.

It was shown by a number of witnesses, including a member of the committee, Alderman Morrill, that both drivers did their utmost to avoid the accident. Neither vehicle, it was proven, was going at an undue rate of speed on the day of the collision.

There was considerable diversity of opinion among the witnesses as to whether the reel plunged into the truck, or the truck ran sideways into the reel. However, this was really of minor importance as they all agreed that the accident could in no way have been avoided, nor was it caused by the negligence of any of the firemen.

The witnesses were Chief Schribben and the firemen who were in the accident, Driver Hewlett, Hoseman Peterson, Driver Bell and Laddman Wainwright, Hanamann and Kidd, and several by-standers, Alderman Morrill, and Adolphus Thomas, Ed. Williams and W. D. McNeill, all of whom were present at the scene of the accident. Laddman Maubly, who had his leg broken in the collision, did not testify. He was not present.

The investigation was held at the city hall, and women being present, the chief's buggy, the truck and the chemical engine were brought to the hall so that they could be examined at a moment's notice, without delay.

PERSONAL MENTION.

CHARGE WITH BURGLARY.

Mrs. Bappler's Residence and Sleeping Apartments Entered Saturday Night-A Colored Lad Alleged House Breaker.

A colored boy, Daniel Dudley, apparently about sixteen years of age, was arrested yesterday morning on a serious charge. It is alleged that he has been guilty of house breaking, and that, too, in the first degree, which according to the laws of North Carolina is the most heinous of crimes. Saturday night Mrs. Bappler, whose residence is in an alley connecting Third street with Fourth, between Dock and Orange streets, awoke from sleep and discovered some one in her room. She attacked the intruder, and when assistance arrived, it was found that he had been in her room, and that she had been burglarized. It is said that the house breaker was Daniel Dudley. There was nothing but ladies in the home, but they were not in the room, but ran him out doors. As entrance to Mrs. Bappler's room, which is in the second story, was effected through a window opening upon a shed.

Yesterday morning Policeman C. H. Gilbert arrested Dudley and carried him to the guard house. When the case was called for trial yesterday afternoon, Dudley allowed to go until then under a straw bond. C. P. Lockett, Esq., represented the accused.

AFTER MUCH PERSUASION

The City Has Contracted for a Patrol Wagon.

At last Wilmington is to have a patrol wagon, a vehicle long needed and which has been the subject of newspaper talk and general conversation, and rightly so, for a long time past. Several grand juries have suggested the purchasing of a patrol wagon, while the city and women being present, the chief's buggy, the truck and the chemical engine were brought to the hall so that they could be examined at a moment's notice, without delay.

When various cases are arrested a covered wagon will be sent to transport them to the grand house, and when those of the feminine gender are unlawfully closed carriage will be used. These vehicles will be furnished at a moment's notice, right or day, by the inventory tables of Messrs. S. P. Cowan & Co. Mayor Wright, on the part of the city, contracted yesterday afternoon for the vehicle, and the arrangement went into effect last night.

Our boy has been continually troubled with colic and cholera infantum since his birth, and all that we could do for him did not seem to give more than temporary relief, until we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy. Since giving that remedy he has not been troubled. We want to give you this testimonial as an evidence of our gratitude, not that we need it to advertise our mercantile remedy.—G. M. Law, Keokuk, Iowa. For sale by R. R. Bellamy.

Funeral Services.

According to the proclamation issued the past week by the president, calling for religious services to be held at the churches of the country, returning thanks to the Almighty for the success that has marked America in her fight with Spain, services were conducted in St. Thomas Pre-Cathedral Sunday. Father Dennen offered up a beautiful prayer for the triumph at Santiago and for the speedy end of the war to the glory of the American arms.

Simon Against the Steamer Baggett.

Simon Richardson, colored, brought suit in Justice McGowan's court yesterday against the master of the steamer Baggett, Captain Sherman, for \$50.00 alleged wages due him, for services rendered as a special engineer. There was no contention over the amount of wages, but the plaintiff asked for damages sustained by getting wet while at work, which came near producing sickness. Upon this point Justice McGowan was not clearly, so he postponed his decision in the case until 9 o'clock this morning.

War Atlas.

The Seaboard Air Line has gotten out and placed in the hands of all its Ticket Agents at principal points, a War Atlas, showing the United States, European Countries, Cuba Verde and Philippine Islands, Cuba and its larger islands, with maps of the United States, North America, Europe and South America.

These Atlases are full of information and will prove of great assistance in understanding the movements of fleets and armies, and will be given to the newspapers. On account of the great expense of getting out this Atlas, the Seaboard has decided to sell it at a price of twenty-five cents each, by mail only.

It can be obtained upon application to Agents, Representatives or to T. J. Anderson, General Passenger Agent, Portsmouth, Va.

Promoted to the Rank of Major

Our citizens will learn with pleasure of the promotion of Lieutenant Edger Jadin, corps of United States Army Engineers, who was stationed in this city under Colonel D. P. Head. He has been moved up to the rank of major from first lieutenant.

The Wilmington Light Infantry boys will hail this news with delight, as they were very fond of Lieutenant Jadin. At the last encampment at Wrightsville he was instructing officer for the Second regiment, and when camp was broken the Light Infantry presented him with a handsome gift as a token of their high esteem.

Fayetteville-Wilmington

A game of base ball is to be played Wednesday at Hilton Park between the Fayetteville Juniors and the Wilmington Juniors. The game promises to be very interesting, and exciting. Fayetteville writes she has a "mean" team and Wilmington knows her team is very "warm". Fayetteville's battery will be Hain, and McRae, pitch, while Moore will hold down the pan and Wood, who has plenty of speed, will do the twirling act for the home team.

Exact Date Declined Upon. It has been definitely settled that the State Veterinary Medical Association will hold its annual session in this city Monday the 25th instant. The meeting will probably be held in Hibernian Hall.

Dr. T. B. Carroll, of this city, vice-president of the association, is making all necessary arrangements.

Storm Warning Message

The following message was received at this office for the information of the public: Washington, D. C. July 11, 4:30 p. m. "A storm possible developing over the South Atlantic coast, may cause high northeast winds tonight, with rain and thick weather."

Excursion From Charleston

The Excelsior Club, of Charleston, S. C., ran an excursion from that city to Wilmington and our seaside resorts on Sunday. The train got here at 12:30 p. m. and about several dozen persons came in the party. They visited Carolina Beach and Ocean View yesterday, and will return this afternoon at 3:45 o'clock.

Perfect Health. Keep the system in perfect order by the occasional use of Tutt's Liver Pills. They regulate the bowels and produce A Vigorous Body. For sick headache, malaria, biliousness, constipation and kindred diseases, an absolute cure TUTT'S LIVER PILLS

TENDENCIES OF WOMEN

"We have no time" is heard on every side. Women have no time to look after their health. Home and family come first and health takes care of itself. The ill of women, however, are serious, and neglect of them means disaster. Mrs. J. H. Hartman, of Okla., tells how Dr. Hartman's advice made her well. She says: "I extend my sincere thanks for the good advice you have given me. I do not believe I would be living now if I had not followed the advice of the doctors who could help me but little. I was so weak I could not turn in bed. Then I applied to Dr. Hartman. I followed his advice and only used three bottles of Peppermint and Manly's Laxative. I am well and as strong as I ever was."

Dr. Hartman, president of the Surgical Hotel, Columbus, O., will prescribe for fifty thousand women this year free of charge. All women suffering from female troubles, any disease of the mucous membrane, may have Dr. Hartman's private counsel without cost. Send for special question blanks for women.

Catarh is essentially the same everywhere, a vehicle long needed and which has been the subject of newspaper talk and general conversation, and rightly so, for a long time past. Several grand juries have suggested the purchasing of a patrol wagon, while the city and women being present, the chief's buggy, the truck and the chemical engine were brought to the hall so that they could be examined at a moment's notice, without delay.

COMMITTEES MEET

Arrangements Made for the Coming of the Rev. Dr. Barron to the Red Men. He Will Deliver an Address at the Christian Association.

Hon. Robert T. Daniels will deliver his noted lecture upon the "Order of Red Men" tomorrow night in the hall of the Young Men's Christian Association.

The committee, from Eyota, and Cherokee tribes, of this city, met yesterday and mapped out all arrangements for the coming of the distinguished visitor, who is the first in the history of the order.

After the lecture the Red Men will hold a social at the city hall, and Dr. Barron promises to be an occasion of rare enjoyment and pleasure to all present.

Hon. Daniels will arrive in the city tomorrow from Washington, D. C., via the Seaboard Air Line. He will be met at the depot by the joint committee and officers of the two lodges and escorted to his quarters at the city hall. The public is cordially extended an invitation to be present at the X. M. C. A. hall, 115 Chesnut street, at a public reception and a pleasant time.

"I have used Chamberlain's Cough Remedy in my family for years and with good results," says Mr. W. B. Choper, of El Rio, Cal. "For small children we find it especially effective." For sale by R. R. Bellamy.

Death of Sheriff Hewlett's Wife.

Sunday afternoon at 1:15 o'clock Mrs. Almira Hewlett, wife of Sheriff Elijah Hewlett, of this county, entered the Seaboard Air Line Hotel at her residence on Masonboro Sound, while all of her loved ones were gathered near.

Mrs. Hewlett had been sick shortly over eight weeks, and her death, while not unexpected, will be a sad loss to many relatives and friends. She was 57 years of age, and was daughter of the late Charles Craig, of Federal Point. By her death a husband, three sons, two daughters and five children, Mrs. James Hewlett, Mrs. Willie Hollis, Mrs. J. B. Falco and Mrs. R. H. Hewlett and Sheriff Hewlett, all of Masonboro, are left as orphans.

The last sad rites were performed yesterday afternoon at 4 o'clock at the Baptist church, of Masonboro. The funeral will be held at 10 o'clock this morning, assisted by Rev. Farrington, pastor of South Side Baptist church, of this city.

The pallbearers were Messrs. Joseph Jones, J. S. Mumfress, J. D. Wagoner, A. Montgomery, E. S. McGowan, E. D. Walton, J. H. Walton, and J. D. Walton.

Persons troubled with diarrhea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhea, the frequent attacks completely prostrating me at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise an almost instantaneous effect was immediate. Whenever I felt symptoms of the disease I would fight myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief. I feel now as if I am free from the disease." For sale by R. R. Bellamy.

A Sad Death at Mount Olive

(Correspondent of the Messenger.) Mount Olive, N. C., July 11. It is with exceeding regret that I announce the death of Miss Pattle Flowers, which sad event occurred last night at 10 o'clock at the home of her mother, Mrs. N. P. Flowers. She had been sick only three weeks with that dreadful disease, typhoid fever.

The interment was made in the Mount Olive cemetery this evening at 3 o'clock in the presence of a large circle of relatives and friends, and the funeral services were conducted by Rev. J. G. Benson.

The deceased young lady was aged 14 years and was of high esteem and was liked by all who knew her. To know her was to love her. She leaves a mother, two brothers and two sisters to mourn her untimely demise.

Dr. Barron Will Not Accept. We learn from the Charlotte Observer that Dr. Barron, of Charlotte, who was recently called by the First Baptist church of this city, will decline the call. Dr. Barron is pastor of the Tryon Street Baptist church, of Charlotte, and his members would not hear of any resignation to part with Dr. Barron's services. His resignation is deeply regretted in Wilmington.
