Proceedings of Veterans Committee.

The committee appointed last year to make arrangements for the Reunion of 1906, met on Tuesday at 1 p. m., according to the call issued some time ago, with Mr. L. R. Whitener in the chair and Mr. G. M. Yoder secretary and at once proceeded to business.

The first matter taken up was whether or no a reunion should be held at all, and this was most enthusiastically voted yes. The motion was then made and carried to have it at the usual time, Saturday before the third Sunday, August 18th, 1906.

The next question was the place at which the reunion should be held. Mr. L. R. Whitener read a most cordial invitation to the veterans to meet in the city of Hickory and enjoy the hospitality which they proved themselves so well able to bestow. Mrs. F. M. Williams on behalf of the business men of Newton extended an equally warm welcome to their town, and also seconded it warmly by a request of the Daughters of the Confederacy to meet in Newton, where such previous enjoyable reunions had been held. It was decided to hold the reunion in Newton this year, and to let the soldier body decide by vote at that reunion, whether the one in 1907 be held in Newton or Hickory.

During the past year among the many veterans that the Catawba Camp has been called upon to mourn, as having crossed over the river, there was one who stood pre-eminently at the head, the noble, gifted Major Jas. A. Weston, who was chaplain of the Confederate veterans of Catawba county, and in being next it was unanimously decided to invite Hon. W. A. Self of Hickory to deliver the address on this occasion and Messrs. L. R. Whitener, S. E. Killian were appointed to wait upon both speaker and chaplain and notify them

of their appointments.

Messrs. N. E. Sigmon and W. A. Day were chosen officers of the day, and commanders of the veterans of each township were appointed as follows: Hickory, L. R. Whitener; Newton, P. A. Hoyle; Catawba, J. U. Long; Caldwell's, J. M. Wilkinson; Jacob's Fork, A. K. Finger; Mt. Creek, W. J. Holdslaw; Cline's, Q. M. Smith; Bandy's; John Linn, and it was requested that the veterans of each township form that day by townships under the leadership of the above named men.

The motion was made and carried that the veterans who wore the blue be invited to meet with those of the grey on this occasion. Dinner will be served to veterans of both armies, their wives and widows.

The following committee to act on all business for the next year was then appointed. Hickory township, L. R. Whitener, S. E. Killian; Newton, Geo. W. Rabb, P. A. Hoyle; Catawba, J. U. Long, John Sherrill; Jacob's Fork, A. K. Finger, G. M. Yoder; Mt. Creek, W. A. Day, W. J. Holdslaw; Cline's, N. E. Sigmon, J. M. Arnett; Caldwell's, H. H. Caldwell, J. M. Wilkinson; Bandy's, G. P. Clay, John Linn.

It was then moved and carried that the account of this meeting be sent to all the county papers with the request of the committee that they publish same, after which the committee adjourned.

L. R. WHITENER,
Chairman.

G. M. YODER,
Secretary.

Sunday-school Excursion.

Thursday, the 12th, the Reformed and Methodist Sunday-schools combined in an excursion to Edgemont. The five passenger cars were packed. The train left at 7:30 and started home promptly at 6 p. m., reaching here about 9 p. m. An unqualified good time was enjoyed by all, especially through that beautiful mountain scenery.

On a Mountain Trip.

A crowd of young men here are preparing to go to the mountains next Monday. They will go in a wagon and camp out at night, as they are all out for a jolly good time. They are intending to go to Blowing Rock, Linville City, Linville Falls, Grandfather Mountain, and other places of interest. The crowd is composed of the following young men: Messrs. James Shuford, Hugh Miller, Carroll Bost, Joe Murphy, Oran Sigmon, Hazel Aiken, and probably several more will be added before they leave.

Miss Nina Ramsay has returned from Wadesboro and Charlotte where she has been visiting friends.

The Presbyterian Sunday-school had the delightful treat of an ice cream supper Thursday evening at Claremont College. It was the rule that each one should have two saucers, so when a young guest was asked if he had had two, he replied: "That'll be three when I eat that." It is needless to say he "ate that."

It has caused more laughs and dried more tears, wiped away diseases and driven away more fears than any other medicine in the world. Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. E. B. Menzies.

CONSUMPTION PREVENTABLE

DISINFECTANT IMPORTANT.

Results Obtained in a Large Institution.

The importance of disinfection is shown by the results obtained at the Brooklyn Home for Consumptives, the finest institution of the kind in New York. A letter from the President is quoted:

"We have used Platt's Chlorides in the Brooklyn Home for Consumptives for more than ten years, and find it not only a comfort but a necessity. Through its use we defy 'the germs' to make any inroads on the nurses and employees who are in constant attendance upon the sick, one hundred of whom are now in the institution. One nurse has been there well on to ten years, a second almost as long, and not one person ever employed in the Home has developed lung trouble."—Mrs. S. V. White, President, Kingston Ave., Brooklyn, N. Y.

Platt's Chlorides is an odorless, colorless liquid disinfectant which instantly removes any foul odors and destroys disease-breeding matter. A quart of it will last an average family a month and it can be obtained at all druggists.

Hickory Lutheran Church.

Gentlemen: We want to donate some L. & M. Paint to your church whenever the paint.

The largest Methodist church in Georgia expected to use 100 gallons of the usual kind of paint, they only use 32 gallons L. & M. mixed with 2 gallons Linseed Oil.

It costs less to paint a house with L. & M. than with other paint, because painter mixes Linseed Oil free from the barrel at 60 cents a gallon with L. & M., and doesn't pay \$1.50 per gallon for Linseed Oil as done with ready-for-use paint is used. Also because the L. & M. Zinc hardens the L. & M. White Lead and makes the paint wear like iron.

Actual cost L. & M. about \$1.25 per gallon.
