Persons de siring to do business with the firm may consult either of the members, It is planned that not less than In addition to these it was found that there is about \$175,000 of property in the town limits which has not yet been three thousand armed men and sevcral hundred trained wolf dogs shall take part in the bunt. It will cover returned for taxation. The board of as convenience may suggest. May 16, a territory of more than one hundred 1905

miles square. Mr. Manning Endorsed.

The friends of James S. Manning in these parts are very enthusiastic over his candidacy for Speaker of the next House of Representatives. The people at large are also invited to consider his claims, and bear him in mind when the time comes for the selection of speaker. Of course there will be other candidates, and we are in the above company. The policy was in favor of Mrs. Lottle C. Hambley, saying nothing to their disparage wife of Capt. Hambley. It is not known ment, but Mr. Manning has all the qualifications for an admirable pre-siding officer. Splendid parliamen-tarian, learned in the law, and has yet what the estate will total up, though it is believed it will reach the courage of his convictions. Make James Manning speaker, and you will have one who will speak when occa-sion requires, and in no uncertain
