### A PITTSBURG, MOB SOUGHT TO LYNCH WHITE PRISONER

The Lynching of Man Charged with Attempting to Cremate his Wife Narrowly Averted. Listened to Advocate of Supremacy of Law.

When Prisoner was Being Removed from Lock-up Mob o 100 Persons Attempted to Take Prisoner. Chief of Police Pled for Prisoner,

Pittsburg, Pa., Oct. 22 .- John Doran, arrested at Winkinsburg, suburb, charged with attempting to cremate his wife narrowly escaped lynching at the hands of an enraged mob of neighbors.

As Doran was being removed from the lock-up to the office of the Justiceof-the-Peace Walker for hearing, a crowd of more than 100 people gathered about the office, and attempted to take the prisoner.

Chief-of-Police James R. Doran, who is no relative of the prisoner, addressed the crowd and besought them to allow the man to have a fair trial and informing them the case against him was complete.

He deprecated the lynch-law and as a result of his pleadings the man was allowed to be taken to Judge Walker's office where he was given a hearing and committed to jail without bail. Mrs. Doran is at the hospital in a critical condition.

The Reynolds factories, equipped with every modern appliance for producing the best chewing tobacco by a clean, sanitary and healthful process, under the direction of men who have made the business a life study, are located in the centre of the Pied-

mont tobacco belt, known to the world as the best productive soil for tobacco with an aroma so delightful, pleasing and

appetizing that it created and popularized the fondness for chewing tobacco.

Only choice selections of this wellmatured, thoroughly cured least are used in SCHNAPPS and others of the high-grade Reynolds brands, and expert tests prove that this tobacco requires and takes a smaller

amount of sweetening than any other kind, and has a wholesome, stimulating and satisfying effect on chewers. SCHNAPPS is the brand that made the

Reynolds factories famous as the manufacturers of the Lost and most popular brands of chewing tobacco, and made necessary the

## IN RUSH IN STORE 12 ARE INJURED

Twelve Persons Injured in Panic During Bargain Sale, Wild Rush for Cheap China Ware. Women and Children Trampled Upon in Panic.

Louisville, Ky., Oct. 20 .-- Twelve persons were injured in a panic during the bargain sale at a store here today.

The most serious hurt are: Mrs. George Williams, arm broken; Lillian Wiliams, her 12-year-old daughter, internally injured; Miss Ray Brashear, attack of heart disease, condition serious: Miss Lena Forman, portion of her hair torn from head.

A number of others injured were hur-

riedly taken away in carriages. Fully 2,000 persons were in the store being attracted by a cut-rate sale of some articles of china ware of trivial value.

During the rush for the counters in the rear of the establishment, where the bargains were displayed, there was a cfy of "there's a five dollar bill on the floor" by some person evidently facetiously inclined. Several persons bent over to pick up the bill, and in the wild scramble that ensued women and children were thrown from their feet and trod on.

Others were thrown over and crushed against the counters.

The cry of "thief" by some woman whose pocketbook had been snatched, heightened the excitement.

At this juncture the doors were closed and the human avalanche was topped

Physicians were hastily summoned and medical aid given.

Some skin diseases are active in Summer, while others wait until cold weather to manifest themselves. Winter Eczema sleeps in the system through the long hot months, and gives no sign of its presence; but at the coming of Winter the trouble asserts itself and it becomes one of the most painful and distressing of all skin diseases. The blood is filled with poisonous acids which seem to be excited by the cold; and as these are thrown off through the pores and glands, the skin cracks and bleeds, the fiesh becomes hot and feverish and the itching intense. The natural oils which keep the skin soft and pliant are dried up by the cold, bleak winds, causing it to become hard and dry, giving it that shiny, leathery appearance, characteristic of the disease, ed with the outlook.
