**Everybody Satisfied**

You will be satisfied, and will be the buyer of your tobacco if you improve the quality and increase the weight of your tobacco by using 500 to 800 lbs. of **Virginia-Carolina Fertilizer** per acre, ten days before planting. These fertilizers give an early start to the plant, which very soon grows large enough to withstand the ravages of insects. Soils that under ordinary conditions would make a yield of poor, papery tobacco, lacking in gummy or oily matters, will produce a very high type of tobacco by liberally using these fertilizers.

Get from your dealer one of Virginia-Carolina Fertilizer free almanacs. Its a beauty full of information on farming.

**PREPARE THIS YOURSELF.**

For those who have and form of blood disorders; who want new, rich blood and plenty of it, try this:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take in teaspoonful doses after each meal and at bedtime. Any good pharmacy can supply the ingredients at small cost.

This is the prescription which, when made up, is called "The Vegetable Treatment;" by others, the "Cyclone Blood Purifier." It acts gently and certainly does wonders for some people who are sickly, weak and out of sorts, and is known to relieve serious, longstanding cases of rheumatism and chronic backache quickly.

## Cures Woman's Weaknesses.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John F. Fife one of the Editorial Staff of THE ECLECTIC MEDICAL REVIEW says of Unicorn root (*Helonias Dioica*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator... makes for normal activity of the entire reproductive system." He continues "in all chronic diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fife further says: "The following are among the leading indications for Helonias (Unicorn root): Pain or aching in the back with leucorrhoea; atonic (weak) conditions of the reproductive organs of women; mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; menorrhagia (flooding); due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods); falling from or accompanying an abnormal condition of the digestive organs and a general debility; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no intelligent woman can afford to neglect Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medicinal properties of which it most faithfully represents.

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Prof. Fife, Ellingwood, M. D., of Bennett Medical College, Chicago, says:

"It is an important remedy in disorders of the womb. In all catarrhal conditions, and general debility, it is of great value." Prof. John M. Sengler, M. D., late of Cincinnati, says of Golden Seal root:

"In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is usually regarded as the tonic useful in all debilitated states."

Prof. J. E. Bennett, M. D., of Jefferson Medical College, says of Golden Seal: "Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhoea (painful menstruation)."

Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

## Home-made Catarrh Cure.

Any one can mix right at home the best remedy of its kind known. The name "Cyclone" is given to the following prescription, it is supposed, because of its promptness in driving from the blood and system every vestige of catarrhal poison, relieving this foul and dread disease, no matter where located. To prepare the mixture: Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon and three ounces Compound Syrup Sarsaparilla. Shake well and use in teaspoonful doses after each meal and at bed time.

This is a harmless, inexpensive mixture, which has a peculiar action upon the eliminative tissues of the Kidneys, assisting them to filter and strain from the blood and system all catarrhal poisons, which, if not eradicated, are absorbed by the mucous membrane, and an open sore of catarrh is the result.

Prepare some and try it, as it is the prescription of an eminent catarrh specialist of national reputation.
