Entered at the Post Office at Hickory second class matter.

Friday, July 30, 1915

County Farm Demonstration agent, R. W. Graeber, of Mecklenburg and a number of the leading farmers are coming to Catawba county and to Hickory on August 10. This trip will be made by automobile with the view of inspecting the Hickory Creamery and the stock farms of Catawba county.

After these gentlemen have looked over the creamery we want them to go to the Home Canner Company and see the canners that are being made in Hickory. In our opinion every farmer should have one of these canners, as it is one of the biggest savers on the farm today.

MUTT AND JEFF COMING.

The Hickory Democrat says one of the best citizens of Hickory has requested it to locate Mutt and Jeff, the great funny characters produced by Bud Fisher. Mutt and Jeff have dropped out of the dailies for a good many weeks, possibly because Fisher had saved a neat roll for a vacation or a little dissipation.

UNEASING MISERY

Some Hickory Kidney Sufferers Get a Little Rest or Comfort.

There is little sleep, little rest, little peace for many a sufferer from kidney trouble. Life is one continual round of pain. You can't rest at night when there's kidney backache.

Proof in Hickory testimony: N. G. Deal, woodworker, Hickory, says: "I suffered a lot from kidney trouble. My back was lame and sore and I had to stop work at night. I was restless and sometimes had to walk the floor.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect. LAXATIVE BROMO-QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in head.

A TAR HEEL'S SUCCESS

Mr. Homer Ferguson President of Shipbuilding Concern.

A signal honor has come to Mr. Homer L. Ferguson, a native of Waynesville and Haywood County, who has been elected president of the Newport News Shipbuilding & Drydock Co., by the directors of that company in session in New York City.

It is stated that Mr. Ferguson was the only person mentioned in connection with the vacancy caused by the death of A. L. Hopkins, former president, who met his death on the steamship Lusitania.

A STATEMENT.

In regard to Mayor Stanley's statement in The Democrat of July 3rd, and various articles in the newspapers of late date, it may appear from the tone of these articles to the public that the fact that opposed Mr. Stanley in the recent election are the crooks, cut-throats and outlaws, as in one article that appeared in a paper of recent date. It stated a certain element were the roughs and then this article of last week states "if it had not been for the hatred on the part of a few people incurred by me in winning the recent election this case would not have been heard of outside of Highland."

The following are the names that were on the ticket with me: For mayor, Junius Huffman. For alderman, T. P. Mouser, J. D. Miller, Willis Smith, George Sigmund. School trustees, A. L. A Cow and a Student.

You can't down a Cleveland county boy. He will get there some time or other, because he has the elements it takes to make a man worth while. Virgil Gardner has hit upon a very sensible idea of getting an education. There is profit in cows and he is thoroughly convinced with the fact. Therefore he will take one to school with him this fall and make her clear him some profits with which to help him get an education. Keep your eyes on Virgil. He is certain to make a success in this world in whatever field of endeavor he chooses to labor.—Cleveland Star.

BOMB THROWN INTO TEXAS MAN'S HOME

Dallas, Tex., July 28.—The bomb which was thrown into the home of W. T. Moore, a saddlery factory foreman today was inclosed in a suitcase bearing the name of "H. L. Cloud" of Monroe La. Police are investigating the theory that the attack might be accounted for by the saddlery business for which Moore works, furnishing large orders to beligerents.

A personal grievance clue also developed, officers announced, and a near relative of the Moores was taken into custody for examination, but no warrant was issued for his arrest.

TEN-YEAR-OLD CARTER HANBURY SHOT IN HAND

Carter Hanbury, ten year old son of Mr. and Mrs. C. F. Hanbury who live on Morgan street, has a bird shot wound in his back and one in his hand, received yesterday afternoon about five o'clock while playing in the rear yard of the Raleigh High School. The gun which inflicted the wound was fired by Miss. Rosalind Williamson, the daughter of Captain B. P. Williamson, who lives in the adjoining lot.

Miss Williamson explained that she fired at the ground and when she pulled the trigger did not see any of the boys. Her reason for firing was to scare a number of youngsters of the neighborhood, who, she says, are continually making raids on fruit trees which hang heavily laden limbs over the fence. She had no intention, she claims, of shooting any of the boys and as a matter of fact appears generally grieved at the incident.

Young Hanbury, according to the story told his mother, had just come to the yard from the Y. M. C. A. and was playing there with a number of his companions when the shot was fired. He denies that they were after the peaches.

Directly after the shot several officers appeared and took charge of the gun, no further action was taken, yesterday.—Raleigh News.

Bayonne Strike Ended Today.

New York, July 28.—The strike at the Bayonne oil plant ended today when virtually every man who walked out ten days returned to work. The plan of the Vacuum and general companies which were closed during the rioting, also resumed operations.

Jermiah Bailey, who led the strike until arrested, sat in an automobile with the sheriff and watched the men return to work. He will be released today. The sheriff also said that he would release Frank Tannenbaum, the Industrial Workers of the World leader, arrested last week.

THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live. Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SNAPEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Becker Appeared Calm.

Gssing, N. Y., July 29.—Charles Becker, in the death house at Sing Sing prison, tonight received calmly the news that his appeal for a new trial had been denied.

Father Cashin, the condemned man's spiritual adviser, said later that becker bore up well.

Becker had been waiting for some news and when Deputy Warden Johnson reached the cell inquired: "Have I lost?"

Mr. Johnson replied: "Yes, I am very sorry to say you have."

Becker's voice was thick as he said: "I had been hoping against hope that I would win and I am disappointed. I am not afraid to die."

An Ancient Offense.

A man in the English veteran reserves was called up recently, says The Pittsburg Chronicle. Telegraph. After a week in his new quarters he was brought up before the officer commanding for not cleaning his Rifle one day. Said the officer commanding: "Hem, your'e an old soldier re-enlisted, I see. I suppose it has been many years since you were reprimanded? What was your last offense? Can you remember what it was?"

The old soldier, with irony on account of the repeated accusations of his age, replied: "For not cleaning, me bow an' arrow, sir."

Amsterdam, July 28, via London — German submarines, according to a telegram received here today from Berlin, had sunk in the war zone up to the 25th of July 229 English vessels, 30 other hostile ships and six neutral craft. The latter, the message says, were sent to the bottom by mistake.

Twenty-seven additional neutral vessels, were examined and sunk because they carried contraband.

Washington, July 28.—Announcement was made today by the Westinghouse Electric company of the receipt of a further large order for war supplies. It was understood that the order called for 800,000 rifles for foreign governments, and that the company also had an option on 200,000 additional rifles the amount involved in the contract could not be ascertained.

We have sold more goods, so far, than we expected, in a good quiet satisfactory way. We had no old cheap junk bought in for special sale, but made a deep cut in our own good goods—goods that we know what they are—good reputable merchandise at a great bargain to the buyer and a loss to me.

But My Stock Is Yet Entirely Too Large

and I must reduce it and stand the loss. I am proud to have my customers tell me that they have been well pleased with everything bought in this sale. Some of them have even said: "The best bargain I ever got in any sale, and I am not afraid of being cheated at ALLEN'S."

So Come Along Friends, Customers and Everybody,

and spend what ever cash you can spare here and you will be treated fair and square. Don't rush take your time and come any time you can in the next week or ten days. Thank you for your trade.

The following interview was given by Mr. Ford to one of the aggressive Ford agents, who returned to his home and gave it to his territory in the following newspaper advertisement:

On a personal visit to Mr. Henry Ford I broached the subject of a possible August 1st Rebate.

(The Ford Company announced last year—as you well remember—that if their total sales reached 300,000 cars between August 1, 1914 and August 1, 1915, each purchaser during that period would receive a refund of \$40.00 to \$60.00.)

"Mr. Ford," I suggested, "Is there anything I can say to our people with regard to the Ford Motor Company's 300,000 car rebate plan?"

"We shall the 300,000," was the quiet reply—"and in 11 months, a full month ahead of August 1st!"

"Then a refund is practically assured?"

"Yes—barring the totally unexpected. We are 50,000 to 75,000 cars behind orders today. Factories and branches are sending out cars 1,800 daily."

I then said to Mr. Ford: "If I could make a definite refund statement we would increase our local sales 500 cars."

"You may say," was Mr. Ford's deliberate and significant reply to this—"You may say that we shall pay back to each purchaser of a Ford Car between August 1, 1914, and August 1, 1915, barring the unforeseen, the sum of \$50. You may say that I authorized you to make this statement."

What can I do to the above? \$15,000,000 cash coming back to Ford owners! And to prospective Ford owners up to August 1, 1915, it actually means—Ford Touring Cars for \$490—less the \$50 rebate! Ford Runabouts for \$440—less the \$50 rebate! What is left for me to say?
