**DO YOU WONDER?**

Asks This Lady, "That I'm a Believer in Cardui?"—Had Been So Weak She Had to Go to Bed.

Osawatimie, Kans.—Mrs. E. E. Keast, formerly of Illinois, residing here, says: "We moved to this state eleven years ago, and I had good health for a long while; and then some year or so ago I had a bad sick spell. . . .

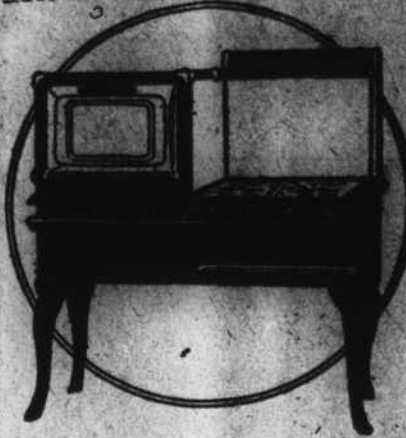

"I got so weak I couldn't go, I couldn't stand on my feet at all. I had to go to bed. I suffered a great deal. I was so nervous I felt I couldn't live. I tried medicines, and everything; had the best of attention, yet I wasn't able to get up. I lay for three months, not able to do anything.

"My husband is a bill poster and has circulars distributed. One day there came to be a Ladies Birthday Almanac among his circulars. I read it, and told some of the family to get me a bottle of Cardui. . . .

"I quit all other medicines and took it (Cardui) faithfully, and two weeks from the time I began to take Cardui I was out of bed—better than for months.

"I kept it up and continued to improve until I was a well woman.

"Do you wonder that I am a believer in Cardui? I certainly am. And I am sure there is no better tonic made for women than Cardui." NC-151

**A CARD OF THANKS**

I wish to thank The Ladies' Aid Society, the B. Y. P. U. the Sunday School and friends that sent me flowers while I was in the hospital.

Mrs. Cabell Jones

**A LAST WORD**

Since I cannot be with you on the last day of the expiration of my pastorate, let me in this way, say just this last word.

Let me say first of all, that I have tried to be faithful to God in proclaiming His truth while I have been in your midst. We all fall in our aims, but it has been my earnest endeavor and aim to declare unto you the whole counsel of God.

Many of us can look back over our past and see where we might have taken another road here or there; but we cannot go over the past again. The future lies before us. The present is all we have so let us grasp it with all our might.

Let me express to you, each and every one, my gratitude for every kindness you have shown me while in your midst. Never shall I forget many kind, helpful words that have been spoken to us, and numerous kind deeds that have been shown us. I am reminded of a woman who came to me with a hard luck story. She asked me to loan her \$5. I was moved with compassion and handed her the money. She said to me with tears in her eyes, "Brother Weston, if I never repay you the Lord will. If I can never repay you people, the Lord will."

We rejoice in the progress that's been made during our sojourn with you. The Sunday School has doubled in attendance and with the recent added equipment we trust the school will continue to grow rapidly.

The B. Y. P. U. has made wonderful progress recently. This is due to our young people themselves and to their noble leaders. May the Lord bless these faithful leaders and their co-laborers is our prayer.

The Lord has greatly prospered us with increased membership in the church. We have now 294 members. Many times during our regular services numbers of men and women, boys and girls have stepped out and accepted Christ. We feel like this was a direct answer to prayer. There are many others whom we have prayed earnestly for who have not come out and accepted Christ, but we believe they will even yet do so. May the Lord help them to decide even now.

It is my earnest prayer that you will continue to prosper and grow. May your next pastor lead you on and upward, and remember he cannot lead unless you follow.

As a last word, let me assure you that there's warm place in my heart for you. The storms of life may come and beat hard upon the shore but never can they destroy my love for you. My last request is, that you pray for us, and may the grace of our Lord Jesus Christ abide with you now and for ever more—Amen.

**SPECIAL SERVICE**

Rev. A. A. Butler, of Selma, N. C. will preach at both morning and evening services, Sunday May 27, looking forward to accepting the pastorate of this church.
