J. M. ROBERTS. Asheville, N. C. TO OUR SUBSCRIBERS.

We know from actual experience that money is scarce but we canhot afford to pay cash for paper to send cut on credit. We want to furnish the citizens of Lincoln county a good paper. We need money to get more material so as to give more reading matter. you are due us anything, however as they might have gond. The small the amount, come up and total amount appropriated at this help us out and, we will do better for you. We can work much better when we have no heavy weight upon our shoulders. Come and tal appropriations made at the last pay what you can now, and finish up a little later on.

Our reader have been advised that a certail election was held in the bimetaliic league endorsing the Alabama last week. It was bold

House would accept the Senate amendments to the Wilson bill, and it is believed that without that pledge the House would not have acted. These things were all

known to Mr. Cleveland, but those whose opinions would carry weight will not at this time express them, as to what, if any, effect the Senate resolution may have on the fate of the tariff bill.

An official statement made by the disbursing clerk of the Depart ment of Agriculture shows that the reduction in the expenditures of that department for the fiscal vear ending June 3rd, 1894, was slightly in excess of 14 per cent. and that nearly \$500,000 of the annual appropriation made for the department was unexpanded and would be covered back into the Treasury. That's the kind of a democrat Secretary Morton is. In this connection it is well to call attention to another official fact calculated to impress people with the idea that the democrats in Congress are living up'to the
