New Advertisements.

Geo. L. Cox.—Fall & Winter Clothing.

C. R. Childs will remain Clerk of the court after Nov. 6th.

We are glad to see Mr. R. S. Edwards in town again after several week's absence.

Naval Cadet, R. Z. Johnston, Jr., will return to his post at Annapolis, Md., in a few days.

The Equinoctial storm is upon us. A heavy gale has been blowing for three days.

Mr. Willie Cooper of Spartanburg, S. C., is visiting at Druggist Lee's.

Gov. Carr made the opening speech at the Cabarrus Fair this week.

Mr. F. A. Toley's new Store room is about ready for the shelving. It will be one of the neatest rooms in town.

B. C. Wood need not fear the loss of his position as Register of Deeds.

Rev. S. S. Edm., Lutheran, will preach at the Methodist church on the 5th Sunday at 11 A. M. and at Ore Bank at 3 P. M.

Mrs. E. T. Ponder and Mrs. T. B. Lehardt, of Cherryville, were in town this week.

W. S. Cooper, the photographer, will be here a few days longer. Parties wishing photographs will please call at once.

Mr. J. P. Lowe of McPelah, made our office a pleasant call on last Saturday.

Buck Kitched will address the "Republican" at the Court House to-day.

The prospect for the election of the entire democratic ticket of Lincoln county is bright enough.

The State Fair begins Oct. 23rd, and concludes the 26th, and not from the 16th to 21st as we stated in our last issue.

Lodge of the order of Knights of Pythias was instituted at Mt. Holly last Friday night. Several Knights of the place attended.

Lee's Drugstore is being fixed up in first-class style. When complete it will be the prettiest of its kind in town.

Mr. H. E. Setzer, one of our worthiest young men, has opened up a harness shop on main street opposite the post office.

John Jolly is now boarding at Hotel de Beam for whipping his mother, who is still in bed from

the effects, about a week ago.

—Prof. W. H. Neave, of Salisbury, lost his home and about all its contents on last Saturday night by an accidental fire.

—Rev. J. D. Miller, of Greensboro, was ordained to the Priesthood, by Bishop Cheshire, at the Church of the Good Shepherd at Raleigh last Sunday.

—The Reps. and Pops. have but one object in view in fusion, and that is to beat the Democrats. Poor deluded Souls!

—It is astonishing to us why Reps. and Pops. should harp so upon a free ballot and fair count in, N. C., when no sane man expects anything else.

—Capt. E. W. Ward will have to do some excellent warding off of strokes if he succeeds in downing Mr. J. F. Reinhardt. Mr. Reinhardt will be our next Representative in the Legislature of N. C.

—Mr. A. Costner does not think of being defeated in the race for the Senate, and the good people of Lincoln County will see that he is right side up with care, on Nov 6th, 1894.

—We are under obligations to the Secretary for a complimentary ticket to Burke county Fair which will be held Oct. 2, 3 and 4th. We will attend if at all possible to do so.

—The wreck on the O. C. R. R. near Charlotte Wednesday morning has discommoded us very much. We do not know the value of railroads until we are deprived of their benefits.

—Mr. Blair Jervins has returned from the northern markets where he purchased a fine lot of goods at greatly reduced prices and can afford to sell cheaper than was ever known in this town. Call and see his fine stock.

—The outlook for Childs for Clerk and Wood for Register is bright enough, so the "Republican" can hunt up other jobs for the men they are putting forward for these positions.

—Godey's Lady's Book for Sept. is on our table and, as usual, is brim full of information for the intellectual man, and the ladies always find in it that which they need and cannot find elsewhere. The illustrations are first-class.

—Jim Childs, colored, is now behind the bars for carving up Bob Houk, white. Houk, it seems, had a little too much corn juice in him and Childs, a noted bad character, was in the same predicament. Houk's wounds are painful, but not serious.

—A fearful cyclone swept over portions of Iowa, Minnesota and Wisconsin Friday night, doing vast damage to property and destroying many lives. The tornado came without warning, sweeping everything from its path. Ninety-six persons are reported killed and seventy-four seriously injured. Several towns were demolished.—Ex.

Post Office to be Moved.

In a few days we are to be accommodated to a more roomy building for our post office. The building just opposite to the one now in use is being remodeled and added to for that purpose. The change will be a very desirable one for it will give the post master room to turn around. We hope a few more, and some larger boxes, or drawers, will be added.

Teachers Wanting Public Schools.

If committees will let me know where teachers are wanted, I will introduce teachers who have been licensed to teach in the Public Schools of our county. Our own young people, who have qualified themselves to teach frequently apply to me for schools and are anxious to teach in their own county on reasonable terms.

R. Z. JOHNSTON.

In the past we thought only bad tasting medicine cured; and it was no better to make a new tea before going to bed; now, it is too much trouble. These changed conditions are all met by Simmons Liver Regulator, which is pleasant to the taste, and already prepared in liquid and powder form. Try a 25-cent sample package. Nothing better for Biliouness, Headache, Constipation, Indigestion.

V. A. McBee.

The V. A. McBee is out on the line, And proposes to "get there" if she don't get behind.

So don't fail to meet us, But run down and greet us As we pass along the line.

She looks so awful neat, And is doing so nice and sweet She is a real treat.

So don't fail to meet us, But come down and greet us As we pass along the street.

O. H. HAMLIN.

Stockholders Meeting.

A regular general meeting of the stock holders of the Lincoln Lithia Water Company will be held at the Lincoln Lithia Springs, near Lincoln, N. C., on Wednesday October 10th, 1894, at 12 o'clock m., for the purpose of electing a Board of Directors to serve for the ensuing year, and for the transaction of such other business as may be brought before the meeting.

VAN WYCK HOE, Sec'y.

Wreck on the C. C. Railroad.

On Wednesday morning as the Carolina Central Rail train was pulling out from Charlotte a serious wreck took place at the switch of the old Smelting works near Biddly University. The switch has not been used for a long while. Some infamous scoundrel broke the rod that held the track in place, and had there not been a curve in the track at that point probably the train would have passed over in safety. The engine was thrown from the track and turned over on one side. Engineer Misenheimer stood to his post and went down with the engine. One of his legs was broken and that was all the serious damage done to the human kind. We have not been able to get a full account of the wreck as there have been no mails on that road since its occurrence. A collar of hemp is the best thing that could be worn by the man who has so little regard for the lives of his fellows, and we sincerely hope that a clue to his identity may be had at no distant day, and that just may have full sway.

The colored people of our town.

The colored people of our town were honored, on Monday, with a visit from Professors Fрид and Berry. The former is Professor of Mathematics in Bidder University at Charlotte, N. C. Professor Berry is engaged in Sabbath School Missionary Work. They visited Fallston and held there a Sabbath School Teacher's Institute; and on their return to Charlotte stopped over night, and gave the young people of our town a good lecture on the importance of education and other things of interest to them. All were highly pleased with them, in their remarks, which we trust may be profitable to all who heard them. Our people need encouragement in that direction. They left this morning much pleased with their visit among their friends, of Lincoln, and will, I trust be glad to visit our town again in future.

Ivy Poisoning

Eight Years of Suffering

Perfect Cure by Hood's Sarsaparilla  
"C. I. Hood & Co., Lowell, Mass."  
"Dear Sirs:—We have tried Hood's Sarsaparilla and find it to be all you claim for it. My wife was poisoned by Ivy when a young woman, and for eight years was troubled every season with the breaking out and terrible itching and burning. I thought there was no end to it. She was cured by Hood's Sarsaparilla, which has effected a perfect cure, without leaving any scars, and she has had no return of the disease since."

No Sign of the Poison Since.  
She is well and hearty. I have taken Hood's Sarsaparilla after the grip with good results, and have also given it to our four children. We are all pictures of perfect health and owe it to Hood's Sarsaparilla." J. C. FERRISMAN, Yankton, S. D.

No. 8. If you decide to take Hood's Sarsaparilla do not be induced to buy any other imitation. Hood's Pills are hand made, and perfect in proportion and appearance. 50c. per box.
